of the islands and reefs dotted throughout the sea. However, all must beware of their largest neighbor, China, who also claims nearly all of the same body of water for its own use. When war breaks out between China and Vietnam, the United States and India prepare to honor their mutual defense treaties with Vietnam and to keep the shipping lanes open to their merchant fleets. United States Senator Randy Fisher is in Southeast Asia to attend the ASEAN annual conference and is the only American in the theater who can prevent a full-scale war. His strained relationship with the current American president is nearing its own breaking point over their domestic policy differences. With little support from the White House, he risks his career and perhaps his life to prevent naval forces with nuclear weapons from confronting each other in one of the busiest bodies of water across the globe. From the Philippines to Brunei, Vietnam, and into the heart of the Chinese Communist government, the American senator will travel to unravel the well-made plans of the architects for China's military expansion into the South China Sea.

United States of Jihad Peter Bergen, 2016-02-02. A riveting panoramic look at homegrown Islamist terrorism from 9/11 to the present. Since 9/11 more than three hundred Americans born and raised in Minnesota, Alabama, New Jersey, and elsewhere have been indicted or convicted of terrorism charges. Some have taken the fight abroad. An American was among those who planned the attacks in Mumbai, and more than eighty U.S. citizens have been charged with ISIS-related crimes. Others have acted on American soil, as with the attacks at Fort Hood, the Boston Marathon, and in San Bernardino. What motivates them? How are they trained, and what do we sacrifice in our efforts to track them? Paced like a detective story, *United States of Jihad* tells the entwined stories of the key actors on the American front. Among the perpetrators are Anwar al-Awlaki, the New Mexico-born radical cleric who became the first American citizen killed by a CIA drone, and who mentored the Charlie Hebdo shooters; Samir Khan, whose Inspire webzine has rallied terrorists around the world, including the Tsarnaev brothers; and Omar Hammami, an Alabama native and hip-hop fan who became a fixture in al-

Shabaab's propaganda videos until fatally displeasing his superiors Drawing on his extensive network of intelligence contacts from the National Counterterrorism Center and the FBI to the NYPD Peter Bergen also offers an inside look at the controversial tactics of the agencies tracking potential terrorists from infiltrating mosques to massive surveillance at the bias experienced by innocent observant Muslims at the hands of law enforcement at the critics and defenders of U S policies on terrorism and at how social media has revolutionized terrorism Lucid and rigorously researched United States of Jihad is an essential new analysis of the Americans who have embraced militant Islam both here and abroad Washington Post Notable Non Fiction Books in 2016
