breath began coming in gasps You say she asked you to bring it out to the kitchen The woman nodded urgently And why did you agree The woman swallowed and answered with difficulty She just asked for a favor sir The man laughed Meredith for all your good qualities you are very easily taken advantage of did you know that Sarah is using you She knows that she will get in trouble if she is seen with it and so she sends you to run the risk instead Yes sir the woman whined I m sorry sir So this is what is going to happen he said I am going to let you go and pretend that this did not happen and the next time you see Sarah with this fork or anything like it you are going to come to me instead Do you understand Yes sir the woman agreed in a strained voice The man twisted further and I saw the woman s hands ball into white knuckled fists as she fought not to cry out Then repeat back to me what I have just asked you You said that the next time I see Sarah with something like the fork I should come and tell you about it sir And that s what you re going to do Yes sir Good The man pulled the woman closer to him and kissed her once on the forehead gave a final squeeze and released her She stumbled back trying to keep herself from clutching at her reddened and slightly puffy nipple Without bothering to cover herself she fled from the room The man watched her go an unreadable expression on his face She has a good heart that one he said Never intentionally disobedient but I m afraid she does not always exercise good judgment I looked through the doorway the woman had disappeared through and shivered The prospect of this man treating me the same way he had just treated Meredith was more than a little frightening but an undeniable part of me had found that entire exchange very very hot I took a long drink of the wine and turned back to see the man watching me We ll start slower with you Annie he said I wouldn t want you to be too overwhelmed

Lessons in Submission: The Discipline Book (Gay, Discipline, Public Spanking) S M Partlowe, 2014-09-26

Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom bdsm play spanking public discipline humiliation submissiveness and dominance All characters are 18 or older Adam s first hours in his new mistress s house have been intense ones but he knows they have only scratched the surface Before he has done little more than catch his breath it s time to meet the other submissives in the mistress s household and learn just exactly what he has gotten himself into Far from being allowed to wade in slowly Adam s initiation into this tight little community will mean getting tossed directly into the center of its many different flavors of discipline and power play By the time his first morning has come to a close he will have a lot more to think about than why there isn t a number on the mailbox Excerpt Yes Mistress several of them agreed and the others nodded obediently His shorter time here makes it all the more important that his experience is a positive one Again they agreed smiles breaking onto some of their faces I could feel excitement rising in the room There was a slight teasing note in Mistress s voice It was as though she and the men at the table were in on an inside joke as though they all knew what was coming and Mistress was being deliberately slow in getting to it tantalizing them under the guise of introducing me Slowly Mistress strode to the head of the table a hand stroking her chin and that infectiously mischievous smile on her inviting lips For those of you who haven t heard she went on Adam and I encountered

each other at his audition for the Tunisia Society Isn't that right Yes Mistress I agreed She nodded her hands splayed lazily on the wooden table and her eyes closed Quite a performance A slight rustling passed through his audience When she reopened her eyes they fell as though by coincidence upon a small spiral bound notebook lying in the center of the table which I had not noticed And what's that The Log she said as though surprised She reached out one hand and drew it towards her A collective shiver along the table confirmed that whatever had everyone so on edge had a great deal to do with that unremarkable little book She licked a finger drew it open and flicked through several pages My goodness she said Look at this Would you look at this Four days I'm away and you boys acquire a rap sheet like this She tutted softly turning a page back and then forward again Now I understand the nervousness We have some serious accounts that need settling don't we The sighs and shivering had stopped She now commanded the room in utter silence Who was my record keeper this week she asked Me Mistress a blond man seated two down from the end answered him He had a lean muscularity and a well defined face that was fixed in an expression of nervous expectation a strange mixture of dread and excitement Even sitting down he was two inches taller than the men to either side of him and his pale skin was flushed Mistress shook her head and tutted again Hayden Hayden Hayden All this happens when I leave you in charge Hayden seemed to be holding his breath Mistress looked at his paralyzed blushing form That's ten spans isn't it For a house poorly run Around the table the men nodded in confirmation Would you come up here please where everyone can see you Hayden rose carefully from his chair and made his way around the table Mistress took her own chair and turned it around so that the back of it faced the room Hayden stopped beside her and stood waiting with nervous hands clasped over his bare stomach Apologize to everybody please They are going to be punished because you couldn't keep them in line If you had done your job none of this would be necessary

performance review Once the two are alone together it isn't long before all sorts of things are coming out into the open Not least among these revelations Veronica Reese has been painfully aware of Chris's desire for her attention and she intends to punish him for the inappropriate means he has employed to distract her from her professional duties Excerpt She produced another folded sheet of paper and laid it in front of me First you sign this contract finalizing the sale for the amount I've offered you It will make you a very rich man I managed to shake my head This is all happening too fast Too fast she repeated I thought I had been very generous with my time I have given you months to withdraw from my markets I can't I stammered She nodded as though deciding something for herself Do you know what it is like when a little startup like yours wanders in and starts trying to underbid companies like mine It is like a child that insists on sitting at the grown ups table The child refuses to acknowledge objective reality It only understands one thing She pushed the stacks of paper which remained in the center of my desk off to the side One of them wobbled tipped and cascaded to the floor but she did not notice The only thing they understand Clay is a firm hand She was standing over me now and I had shrunk back into the chair Her sultry inviting manner had been replaced by the tone of utter authority I can make you regret your stubbornness in any number of ways I can underbid every contract you receive headhunt every name you hire and grind your company into the dirt until every last investor you have is serving you papers Is that what you want I stared up at her mute Stand up she said I stayed frozen in place Stand up she repeated You call yourself the owner of this company You can't even stand and look me in the eye in your own office You have to cower in your chair Shakily I complied No sooner was I standing than she had put her hand to the small of my back pushing me over and pinning me down upon my desk I'm going to do something much less permanent than all of that she said There was not so much as a single note of strain in her voice as she held me completely helpless against the smooth oak of my desk Because I'm beginning to like you because in a certain way I can admire stubbornness I'm going to teach you very simply and here in private just how out of your depth you are I tried to say something but her hand against my back was compressing my chest against the desk too forcefully to draw full breath Instead all that emerged was a whimper
