Health and Welfare of Brachycephalic (Flat-faced) Companion Animals Rowena Packer, Dan O'Neill, 2021-08-05 Health and welfare issues of brachycephalic flat faced animals are one of the most pressing problems facing companion animals right now Dogs in particular are suffering from a brachycephalic crisis resulting from a perfect storm where predispositions to an array of health issues are amplified by a population boom for certain brachycephalic breeds such as the French Bulldog and Pug But yet for many owners these dogs represent the perfect companion endearing personas and cute looks in a socially desirable package So where is the truth in all of this This book will equip veterinary professionals animal welfare scientists breeders and owners with the fuller story about brachycephalic health and welfare The first half of the book provides the context of how and why we are in this crisis offering in depth historical social ethical communication nursing welfare epidemiological genetics and international perspectives The second half shifts towards the clinical arena with chapters that cover the background diagnosis treatment and prevention of the many unique healthcare needs of brachycephalic animals Cutting edge knowledge is shared on a range of disciplines including respiratory disease ophthalmology dermatology dentistry neurology obesity reproduction and anesthesia With twenty chapters written by world leading experts lifetimes of experience and knowledge are condensed into the first book dedicated exclusively to brachycephaly in companion animals This essential reference resource will inform challenge and stimulate it will open your mind to new opportunities for you to improve the welfare of brachycephalic animals by your personal and collective choices and actions But prepare to be surprised you may just find that your views on brachycephaly in companion animals will be changed forever

Cavalier King Charles Spaniel and English Cocker Spaniel Roland Berger, 2023-03-16 The Cavalier King Charles and also the English Cocker Spaniel are dogs of English origin Probably they also share in some way the origin of the respective breed However while one Spaniel was then as now only active as a companion dog and has no hunting ambitions the other Spaniel is still on the move as an extremely good hunting dog However both breeds are becoming more and more popular even as family dogs This is not surprising because these spaniels have a particularly beautiful external appearance which is fascinating for many people The small Cavalier is a dog for everyone He feels comfortable in any environment as long as he gets enough exercise The Cocker Spaniel needs appropriate

activity simply because of his hunting instinct but is therefore no less suitable for beginners The contents of the book are The two Spaniel dog breeds Education of a Spaniel Health and nutrition The dog care Character training and much more Many illustrations In this guide you will learn a lot of interesting facts about both breeds The keeping of these dogs will be revealed to you and you will get information about nutrition and possible diseases Further chapters are dedicated to education and socialization because one is not possible without the other Be inspired by the ways you can build a mutual and unconditional trust and thus get a strong bond with your four legged friend Have fun reading **The Yorkshire Terrier** Janice
