Pursuit Of Doom English Edition:

Pursued by Furies Gordon Bowker, 2015-03-12 Malcolm Lowry was the troubled author of *Under the Volcano* 1947 a brilliant novel about the last day of an alcoholic former British consul on the Mexican Day of the Dead the manuscript of which Lowry rescued from the flames when his fisherman's shack burned down in 1944 Lowry's other books were not always so lucky his first novel *Ultramarine* 1930 was stolen after four years composition and resurrected from a carbon copy another manuscript *In Ballast to the White Sea* was destroyed in the 1944 fire An early draft of *In Ballast* was discovered this century and published in 2014 Lowry's life like his work was often lost to chaos Gordon Bowker's 1994 biography is a masterful account of a life spent adrift *Secularism and the Pursuit of Transcendence, Volume I* Stanley E. Porter, Wendy J.

Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us **The**
