Cooper,1991-12-19 Despite the liberalized reconfiguration of civil society and political practice in nineteenth century Europe the right to make foreign policy devise alliances wage war and negotiate peace remained essentially an executive prerogative Citizen challenges to the exercise of this power grew slowly Drawn from the educated middle classes peace activists maintained that Europe was a single culture despite national animosities that Europe needed rational inter state relationships to avoid catastrophe and that internationalism was the logical outgrowth of the nation state not its subversion In this book Cooper explores the arguments of these patriotic pacifists with emphasis on the remarkable international peace movement that grew between 1889 and 1914 While the first World War revealed the limitations and dilemmas of patriotic pacifism the shape if not substance of many twentieth century international institutions was prefigured in nineteenth century continental pacifism **The English Catalogue of Books** Sampson Low,1949 Vols for 1898 1968 include a directory of publishers **The English Catalogue of Books [annual]** Sampson Low,1947 Vols for 1898 1968 include a directory of publishers **Disability, Deformity, and Disease in the Grimms' Fairy Tales** Ann Schmiesing,2014-11-03 Readers interested in fairy tales studies and disability studies will appreciate this careful reading of the Grimms tales **The Growth of Economic Thought** Henry William Spiegel,1991 In a new and updated edition of this classic textbook Henry William Spiegel brings his discussion and analysis of economic thought into the 1990s A new introductory chapter offering an overall view of the history of economics and a bibliographic survey of the economic literature of the 1980s and early 1990s have been added Maintaining the link between economics and the humanities Spiegel s text will continue to introduce students to a wide range of topics in the history of economic thought From reviews of previous editions The history of economic thought to end all histories of economic thought Robert D Patton Journal of Economic Literature The book is in the grand tradition of the history of doctrines It is a history of economic thought broadly conceived and superbly written to boot It is not to much to say that Spiegel s book will become and remain a leading text in the field Warren J Samuels Social Science The author conveys the essence of an idea simply and clearly yet in a graceful style William F Kennedy Journal of Economic Literature Early Years of Reform Anthony P R Howatt,2018-10-24 This volume forms part of a five volume set charting the progress of the nineteenth century movement which was instrumental in establishing international guidelines for the teaching of modern languages It was during this period that for the first time co operation between phoneticians and teachers culminated in the publication of works that were instrumental in establishing the applied linguistic approach to language teaching in the twentieth century For the first time too the new science of psychology influenced a scientific theory of second language acquisition The Reform Movement attracted support across Europe spurring the development of new professional associations and journals In turn the publication in these journals of reports of innovative practice contributed to

radical newspaper of the 1790s he lived at the center of most of the political storms of that decade He defended the Democratic Societies as the earliest vehicles of public opinion he strenuously opposed the ratification of the Jay Treaty the central political event of the decade he led and orchestrated the attack on George Washington in an attempt to curb growing executive authority and his defense of French policies contributed to the sedition crisis of 1798 A primary target of the Federalist sponsored Sedition Act he was indicted for federal common law seditious libel before that act took effect In 1798 at the height of the political hysteria Bache died of yellow fever at the age of twenty nine Like Thomas Paine to whom Bache was personally and ideologically connected Bache was not a product of Whig Oppositionist or classical republican ideology Yet neither was he an inheritor of a more thoroughly modern liberal ideal Committed to rational self interest he promoted a civic vision and only partially embraced the newer world of nascent capitalism James Tagg establishes the ideological and psychological framework of Bache's later radicalism by carefully examining Bache's childhood at Passy with his grandfather his education in Geneva and his adolescence in Philadelphia Benjamin Franklin Bache and the Philadelphia Aurora will interest scholars and students of American history
