Dangerous Charisma Jerrold Post, 2019-11-05 Offering an in depth psychological and political portrait of what makes Donald Trump tick *Dangerous Charisma* combines psychoanalysis with an investigation into the personality of the current American president This narrative not only examines the life and psychology of Donald Trump but will also provide an analysis of the charismatic psychological tie between Trump and his supporters While there are many books on Donald Trump there has been no rigorous psychological portrait by a psychiatrist who specializes in political personality profiling As the founding director of the CIA's Center for the Analysis of Personality and Political Behavior Dr Post has created profiles of world leaders for the use of American presidents during historic events As once stated by Jane Mayer of the New Yorker who characterized Dr Post

as a pioneer in the field of political personality profiling he may be the only psychiatrist who has specialized in the self esteem problems of both Osama bin Laden and Saddam Hussein In this new book the psychiatrist who once served under five American presidents applies his expertise to profiling the current resident in the White House with surprising and revelatory results
