This book has all that and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references, complete index, and summary lists. Basically, it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index of all things? Reminder: a 20% pass rate. *Louisiana Notary Exam Sidepiece to the 2024 Study Guide* Steven Alan Childress, 2024-01-30 NEW 2024 EDITION of the best selling notary prep guide to the challenging Louisiana exam. The Louisiana Notary Exam averages a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam day tips, not enough cross references, and few of the forms notaries use that they test. It's notoriously hard to follow. It doesn't explain most tested subjects, past exams, or recent changes. It's got the law and notary rules, but it's missing essentials for any such textbook. The Sidepiece has all that and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references, complete index, and summary lists. Basically, it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index of all things? Reminder: a 20% pass rate. Previous editions of this resource earned 200 5 star ratings and comments that it's essential and invaluable to passing the exam, whether or not you take a prep class too. Read the reviews to get the scope, coverage, and necessity of adding this book into your study program. The author's tips on what to expect on test day were worth the cost of the book alone. Get This Book. As a senior law teacher and member of two state bars, Prof. Childress still needed to pass the Louisiana Notary Exam to practice as one. It's a challenging exam for everyone, yet he found in the Study Guide lots of trees but little forest, and even less real guidance. Determined that current test takers can do better with more real help, he wrote this book and geared the page numbers, including an index, cross references, lists, and illustrated explanation of successions, community property, and authentic acts to the latest edition of the state's official text, *Fundamentals of Louisiana Notarial Law and Practice*. *Become a Notary Public in Louisiana (New for 2023-2024)* Steven Alan Childress, 2023-03-13 NOTE: New edition in 2025 supersedes this 2023-2024 one and is a fully updated version of this much read introduction to the office of Notary Public. Louisiana civil law notaries enjoy functions, responsibilities, and earning potential unmatched in any other state and reserved there to attorneys. Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize, including affidavits, donations, powers of attorney, and even wills and trusts. And so much more with no educational requirement beyond high school but a state exam that is famously challenging. The entire process to become a notary is difficult and wrapped in some mystery. This book is helpful if you're in the beginning stages of becoming a notary public. Or just thinking about joining the profession. It's about the process of registering to be a notary and why you'd want to. It's about the classes, books, resources, and options available to prep for the exam. It's not a study guide to the test's content itself. Other books do that, including the best selling Sidepiece guide also by Prof. Childress of Tulane Law School. But it does
