Nothing For Tomorrow A Memoir:

Nothing for Tomorrow Nancy Rossman, 2014-08-21 After divorcing her husband and moving to Arizona Nancy is eager to build a brand new life for herself but it's not until she meets Tim that she feels like she has a second chance at romance. He's boyish and fun, twenty years old to her thirty-two, and she feels herself blossom under his affection. Even more unexpected is the development of a meaningful friendship with his mother Lynda, who Nancy is drawn to from the start. They listen to each other without judgment, share their deepest secrets, and quickly become the best of friends. Nancy soon learns that Lynda suffers from chronic pain due to old horseback injuries, however, and she's in a near constant state of suffering. Relying on prescription drugs to get by, Lynda begins to lose hope that her condition will ever improve as the pain becomes more and more unbearable. But when life no longer feels like it's worth living, who has the right to say when enough is enough? *Nothing for Tomorrow* explores this controversial issue through a story of life, renewing romance, long-lasting friendship, and the everyday assumptions we make about life and death.
