**Directions:** You may work with your 3:00 partner on this practice quiz. We will go over the answers together as a class in 12 minutes. Good luck!

1. What is geography?

The study of Earth's physical and human characteristics

2. Why should we learn about geography?

- To appreciate the world
- To gain practical knowledge for future travel
- To make good decisions that will positively impact the environment

3. Who was the "Father of Geography?"

Eratosthenes—276 BC in Libya

4. Does geography always stay the same? Why or why not?

No, because the Earth's plates are constantly shifting, therefore changing the physical landforms on the Earth. Also, humans move, build, and change the Earth everyday.

5. If you described the means of transportation available to and from school, what theme of geography would you be using?

Movement

6. Why might two places be identified as part of the same region?

There are many ways to classify a region. Some examples include language, physical landforms, religion, politics, climate, and location.

7. What sports are examples of human-environment interaction?

Rock-climbing, skiing, mountain biking, etc.
