November 2010 Geography Paper 2 Memo:

Decolonization and Conflict Martin Thomas, Gareth Curless, 2017-06-15 Insurgency based irregular warfare typifies armed conflict in the post Cold War age For some years now western and other governments have struggled to contend with ideologically driven guerrilla movements religiously inspired militias and systematic targeting of civilian populations Numerous conflicts of this type are rooted in experiences of empire breakdown Yet few multi empire studies of decolonisation s violence exist Decolonization and Conflict brings together expertise on a variety of different cases to offer new perspectives on the colonial conflicts that engulfed Europe s empires after 1945 The contributors analyse multiple forms of colonial counter insurgency from the military engagement of anti colonial movements to the forced removal of civilian populations and the application of new doctrines of psychological warfare Contributors to the collection also show how insurgencies their propaganda and methods of action were inherently transnational and inter connected The resulting study is a vital contribution to our understanding of contested decolonization It emphasises the global connections at work and reveals the contemporary resonances of both anti colonial insurgencies and the means devised to counter them It is essential reading for students and scholars of empire decolonization and asymmetric warfare

Russia's Frozen Frontier Alan Wood, 2011-04-15 Told from a Siberian point of view this book seeks to dispel something of the miasma of ignorance and misconception surrounding this vast expanse the planet s land surface its fascinating history its natural environment and most importantly the peoples who live or have lived and died there

Labels of Origin for Food Elizabeth Barham, Bertil Sylvander, 2011 Agri food traditional regional and typical products are an important resource for agricultural and rural development in many areas of the European Union These Origin Labelled Products OLPs activate a complex system of relationships involving the local production and marketing and distribution systems rural development dynamics and the consumer Based on research conducted in European countries this book provides an account of the current state of OLPs enabling a better understanding of their characteristics and evolution in the

agri food system It also assesses public policies at vario **Betrayed** S. Kaplan,2013-11-26 Betrayed takes a new approach to the subject of global poverty one that doesn't blame the West but also doesn't rely on the West for solutions Betrayed puts the poor themselves at center stage and shows how their entrepreneurial energies are shackled by political and social discrimination When these shackles are removed as is happening in places such as China and Vietnam the poor are able to seize opportunities and drive wealth creation Combining the latest research into poverty and state building with the author's personal observations drawn from years running businesses in the developing world Betrayed explains how leaders in the developing world can build more inclusive societies and more equitable governments thereby creating dynamic national economies and giving the poor the opportunity to accumulate the means and skills to control their own destinies This refreshing new approach will appeal to business people who are fed up with reading critiques of global poverty that see capitalism as the problem not the solution people in both the global North and South who want to see attention focused not on Western aid but on what developing countries and their citizens can do to help themselves scholars and practitioners in the development field who are looking for new practicable ideas and general readers who want accessible and engaging accounts of ordinary people struggling to overcome poverty
