guide to the power of the occult *Occultism for Beginners* Peter London,2021-10-07 Dear reader if you are interested in the subject of the occult and want to learn it from scratch this book is for you I describe the basic concepts related to this topic and discover all its secrets I invite you to read this book *The Warrior-Magician Manual* Astennu Sever,2019-11-05 This is a collection of articles written by myself Astennu Sever over a couple of years Some of these have appeared in occult magazines and websites namely occultist net while others have not been published until now My primary motivation in publishing this work has been to explain occultism in a very pragmatic manner for those who are interested in this path I consider occultism a comprehensive worldview by which the person regularly gets in touch with powers that are outside of ordinary sense perception The main reason for getting in touch with these powers which often present themselves as spiritual entities during rituals is so that the occultist can manipulate external and internal reality in a way that suits his or her goals There is a vast spiritual landscape that we can access only through occult methods No amount of theoretical knowledge in philosophy theology or modern science can bring us closer to true power in this world or spiritual elevation We have to rely on magick to access our dormant potential The following chapters will reveal practical ways in which you can access untapped powers of your mind in order to manifest your deepest visions and desires in the physical universe

Advanced Magick for Beginners Alan Chapman,2008-12-31 A new paradigm that delivers a genuine transformation of occultism The author assumes no previous knowledge only a willingness to explore what magick offers yet it is apparent to anyone with a background in the subject that Alan Chapman is drawing on a wide range of experience from classical Crowleyean Magick to eastern metaphysics and back again to Discordianism and Chaos Magick Chapman s writing style is

humorous direct seductively logical and his enthusiasm for the benefits of magick is both tangible and infectious The novice magician will indeed find themselves equipped to commence all sorts of magickal operations trance work enchantment divination and even some of the higher forms of spiritual development To experienced magicians Chapman offers a subtler challenge he revitalises magick by cutting it free from the extreme relativism Chaos Magick bequeathed provocatively redefining it as the art science and culture of experiencing truth
