SALEM'S LOT

Salem Lot is a small New England town in a sleepy village is consumed by evil forces of people, darkness, and an insidious force. Of course, all in the name of power and control. When darkness is at its peak, people are at their best. But no one is more at their best than the town.

Stephen King's masterful storytelling, which is the first in a series of books, is a testament to his talent as a writer. He has a way of making the most of the most ordinary of things, and he has a way of making the most of the most extraordinary of things. He has a way of making the most of the most extraordinary of things.
