Wilson,2011-10-06 We may know the gospel We may believe it even proclaim it But we also may assume the gospel and become lethargic In this book Jared Wilson seeks to answer the central question how do we experience and present the gospel in a fresh nonroutine way in order to prevent ourselves and others from becoming numb His answer may be surprising by routinely presenting the unchanging gospel in a way that does justice to its earth shaking announcement We don't excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting edge dramatic rhetoric but by passionately and faithfully proclaiming the same truths we have already been given in Scripture Wilson's book will stir churches to live out the power of the gospel with a fervent genuine zeal After an explanation of the term gospel wakefulness Wilson unpacks implications for worship hyper spirituality godly habits and sanctification as well as other aspects of church life Pastors church leaders and all in ministry especially those who are tired or discouraged will be uplifted emboldened and empowered by this book Christian Advocate and Journal and Zion's Herald ,1907 *A Little Fling, and Other Essays* Sam Pickering,1999 Through his close observations Pickering reminds us how varied the world is and how it can restore the spirit examining things we often overlook like moss or beetles or the quality of November light BOOK JACKET
