With collapse of the prices of agricultural commodities in the eighties, Tun Mahathir decided that it was time to shift the nation's focus to more profitable areas. Thus, he started the industrialization programme. Reputed as the country's top salesman, he showcased Malaysia to investors abroad in a bid to **woo** them. As a result of the heavy industrialization drive, major projects like national car project or PROTON and the steel company, PERWAJA, together with other mega project were launched one after another.
