wonderful if you could get up tomorrow and go to work in a position where you would feel as though you are contributing something to the organization Or being employed where you are appreciated for what you do Or better yet work in a position that you know you are making a difference Life is too short to spend time in a career that is not fulfilling Too many people ask themselves what kind of job or career would be best for them Why is it that we focus on the what rather than the how Well it is possible but you must make it happen You cant wait for employers to come to you You have to take charge of the direction of your career direction yourself What is your rationale for reading this book Could it be one of the following You are searching for a more satisfying career You have been downsized from a job You are starting your first job search Feelings like your opportunities for growth are limited where you are presently There is a basic conflict of values on the job You are a Baby Boomer and are now seeking a career that you hope will be more satisfying than what you have done so far in life There has been a significant life event that is propelling you to make a career change It could be something like a near death experience divorce turning 40 or 50 or physically unable to do the job that you have done in the past You feel as though by changing jobs you will increase your earning power You would like to pursue a dream or complete a mission Maybe you were fired or laid off and need to make a career change You have retired and now are seeking a rewarding career that you would enjoy more You have climbed the corporate ladder and your priorities have changed Often we allow corporations or organizations to manage our careers In my private career coaching practice I have helped literally thousands of individuals who have allowed corporations to totally control their lives and when they have been job eliminated or the company is acquired by another public traded corporation they find themselves searching for a new direction with their career I feel privileged like other ca
