

HOW TO OBTAIN YOUR COMPANY CREDIT REPORT?

The first step in generating the report is to go to the CRIF website at <https://cir.crifhighmark.com/company-credit-report/business>. Fill in the basic details such as full name, mobile number, and business email ID.

In this step, you'll need to verify your mobile number with the code or OTP.

In this step, you'll be required to provide business details, like the name and registered office address, PAN and contact numbers. Fill out the form completely and accurately to eliminate the possibility of the request being denied.

The payment of fees is the next step in the business credit report process. Online payments for the fees are accepted in the form of debit or credit cards, net banking, cash cards, and bank drafts.

Upload supporting documents, like an authorisation letter, address proof, and PAN.

You will receive the company credit score and report within seven business days after document verification.
