The Integrated Adult Practice Class is based on the principle that learning is best achieved through authentic experiences. Although authentic experiences and good instruction are essential and embedded in the learning process, they are not sufficient. The student is responsible for developing and experiencing with these materials in their own way, applying, connecting their understanding of the learning process by completing the Integrated Adult Practice Class. The learning objectives of the Integrated Adult Practice Class are:

- 10 The study also sought to understand the characteristics of, among the youth themselves, those in
11 world leadership roles having and forming the greatest impact.
- 12 The study focuses on questions of first-generation and second-generation youth groups that
13 are emerging globally, including transnational and applying world citizenships
- 14 The emerging theme, which suggests a new global identity
