Oceg Internal Audit Guide:

Executive's Guide to IT Governance Robert R. Moeller, 2013-02-11 Create strong IT governance processes In the current business climate where a tremendous amount of importance is being given to governance risk and compliance GRC the concept of IT governance is becoming an increasingly strong component Executive's Guide to IT Governance explains IT governance why it is important to general financial and IT managers along with tips for creating a strong governance risk and compliance IT systems process Written by Robert Moeller an authority in auditing and IT governance Practical no nonsense framework for identifying planning delivering and supporting IT services to your business Helps you identify current strengths and weaknesses of your enterprise IT governance processes Explores how to introduce effective IT governance principles with other enterprise GRC initiatives Other titles by Robert Moeller IT Audit Control and Security and Brink's Modern Internal Auditing A Common Body of Knowledge There is strong pressure on corporations to have a good understanding of their IT systems and the controls that need to be in place to avoid such things as fraud and security violations Executive's Guide to IT Governance gives you the tools you need to improve systems processes through IT service management COBIT and ITIL

The Internal Auditing Handbook K. H. Spencer Pickett, 2010-05-17 The first edition of The Internal Auditing Handbook received wide acclaim from readers and became established as one of the definitive publications on internal auditing The second edition was released soon after to reflect the rapid progress of the internal audit profession There have been a number of significant changes in the practice of internal auditing since publication of the second edition and this revised third edition reflects those changes The third edition of The Internal Auditing Handbook retains all the detailed material that formed the basis of the second edition and has been updated to reflect the Institute of Internal Auditor's IIA International Standards for the Professional Practice of Internal Auditing Each chapter has a section on new developments to reflect changes that have occurred over the last few years The key role of auditors in reviewing corporate governance and risk management is discussed in conjunction with the elevation of the status of the chief audit executive and heightened expectations from boards and audit committees Another new feature is a series of multi choice questions that have been developed and included at the end of each chapter This edition of The Internal Auditing Handbook will prove to be an indispensable reference for both new and experienced auditors as well as business managers members of audit committees control and compliance teams and all those who may have an interest in promoting corporate governance

Corporate Defense and the Value Preservation Imperative Sean Lyons, 2016-09-19 This is the first book to finally address the umbrella term corporate defense and to explain how an integrated corporate defense program can help an organization address both value creation and preservation The book explores the value preservation imperative which represents an organization's obligation to implement a comprehensive corporate defense program in order to deliver long term sustainable value to its stakeholders For the first time the reader is provided with a complete picture of how corporate defense operates

all the way from the boardroom to the front lines and vice versa It provides comprehensive guidance on how to implement a robust corporate defense program by addressing this challenge from strategic tactical and operational perspectives This arrangement provides readers with a holistic view of corporate defense and incorporates the management of the eight critical corporate defense components It includes how an organization needs to integrate its governance risk compliance intelligence security resilience controls and assurance activities within its corporate defense program The book addresses the corporate defense requirement from various perspectives and helps readers to understand the critical interconnections and inter dependencies which exist at strategic tactical and operational levels It facilitates the reader in comprehending the importance of appropriately prioritizing corporate defense at a strategic level while also educating the reader in the importance of managing corporate defense at a tactical level and executing corporate defense activities at an operational level Finally the book looks at the business case for implementing a robust corporate defense program and the value proposition of introducing a truly world class approach to addressing the value preservation imperative Cut and paste this link https://m.youtube.com/watch?v=u5R_eOPNHbI to learn more about a corporate defense program and how the book will help you implement one in your organization **The Essential Guide to Internal Auditing** K. H. Spencer

Pickett,2011-05-23 The Second Edition of The Essential Guide to Internal Auditing is a condensed version of the Handbook of Internal Auditing Third Edition It shows internal auditors and students in the field how to understand the audit context and how this context fits into the wider corporate agenda The new context is set firmly within the corporate governance risk management and internal control arena The new edition includes expanded coverage on risk management and is updated throughout to reflect the new IIA standards and current practice advisories It also includes many helpful models practical guidance and checklists **Accounting & Business** ,2007 [Audit Committee Essentials](#) Curtis C. Verschoor,2008-04-30

Praise for Audit Committee Essentials Audit Committee Essentials is an excellent and comprehensive resource documented with key references and illustrated with real life company examples for all types of commercial and nonprofit enterprises Dr Verschoor brings into focus the intertwined impact of risk management internal controls and ethics on oversight responsibilities for both the audit committee and the entire board of directors From my personal perspective as an audit committee member and as a director of both profit and nonprofit entities this book should be required reading for corporate management boards of directors and their committees George K Gill Chairman and CEO of PetAg Inc Director and member of the Investment and Audit Committees of the United Methodist Foundation of Northern Illinois Maintaining the highest ethical standards is critical to the success of not for profits in today s world Dr Verschoor s book provides a practical highly prescriptive approach to ensuring that governance processes meet the highest expectations of managers employees volunteers contributors and other stakeholders I am very impressed with the readability of the book It definitely raises one s awareness of the need for a thought out plan that ensures strong financial and ethical credibility John S Maxson President

and CEO Greater North Michigan Avenue Association Chicago Illinois A concise and readable account of the audit committee's roles and responsibilities The Sarbanes Oxley Act has changed the way all corporations now operate regardless of size In Audit Committee Essentials governance expert Curtis Verschoor explains with great detail and razor sharp precision why internal control is so critical emphasizing financial literacy a requirement under Sarbanes Oxley as well as oversight of the financial reporting process and related controls ethics and the internal and independent audits Written for seasoned professionals as well as newly assigned board members Audit Committee Essentials is a vital tool in order to stay abreast of the rapidly changing governance requirements and responsibilities of audit committees **COSO Enterprise Risk**
