television industry The Hollywood unions are not neutral institutions but rather have long histories of jurisdictional battles competitions with rival unions and industry altering strikes They have supported the industry s workers through the Great Depression World War II the McCarthy era the collapse of the studio system the rise of television runaway production fights for gender parity the digital revolution and a global pandemic The history of these unions has contributed to making media work sustainable in the long term and helped shape the conditions and production cultures of Hollywood *The Writers* Miranda J. Banks,2015-01-14 Screenwriters are storytellers and dream builders They forge new worlds and beings bringing them to life through storylines and idiosyncratic details Yet up until now no one has told the story of these creative and indispensable artists *The Writers* is the only comprehensive qualitative analysis of the history of writers and writing in the film television and streaming media industries in America Featuring in depth interviews with over fifty writers including Mel Brooks Norman Lear Carl Reiner and Frank Pierson *The Writers* delivers a compelling behind the scenes look at the role and rights of writers in Hollywood and New York over the past century Granted unprecedented access to the archives of the Writers Guild Foundation Miranda J Banks also mines over 100 never before published oral histories with legends such as Nora Ephron and Ring Lardner Jr whose insight and humor provide a window onto the enduring priorities policies and practices of the Writers Guild With an ear for the language of storytellers Banks deftly analyzes watershed moments in the industry the advent of sound World War II the blacklist ascension of television the American New Wave the rise and fall of VHS and DVD and the boom of streaming media *The Writers* spans historical and contemporary moments and draws upon American cultural history film and television scholarship and the passionate politics of labor and management Published on the sixtieth anniversary of the formation of the Writers Guild of America this book tells the story of the triumphs and struggles of these vociferous and contentious hero makers *Jet*,2000-03-20 The weekly source of African American political and entertainment news *Breaking It Down* Nicole Hodges Persley,Monica White Ndounou,2021-07-15 Everyone involved in the performing arts from professors to casting directors to actors to students especially those just starting out should read this eye opening work Library Journal Starred Review A practical guide that shows BIPOC actors how to break down the audition process rather than being broken down by the entertainment industry and its practices of exclusion and bias Working in an environment that often stereotypes or attempts to universalize experiences it s more important than ever that actors consider how culture race ethnicity gender sexuality and ability are inseparable and important parts of their identity that should not be minimized and can instead enhance their work In *Breaking It Down* Audition Techniques for Actors of the Global Majority Nicole Hodges Persley and Monica White Ndounou share real world audition strategies that centers the experiences of actors of color They combine practical advice cultural studies Black feminist perspectives and lived experiences to offer intersectional approaches to auditioning The ten steps outlined in this book aid actors across racial lines seeking to develop the necessary skills to break down a character and script while affirming their full selves into the

audition to book the role Building on the momentum of the BlackLivesMatter MeToo and Time s Up movements Breaking It Down emboldens actors of the global majority to embrace every aspect of their identities rather than leaving themselves behind in an effort to gain entry and access to the entertainment industry      **California Public Policy Bibliography** ,2003

**The Value Gap** Courtney Brannon Donoghue,2023-08-08 How female directors producers and writers navigate the challenges and barriers facing female driven projects at each stage of filmmaking in contemporary Hollywood Conversations about gender equity in the workplace accelerated in the 2010s with debates inside Hollywood specifically pointing to broader systemic problems of employment disparities and exploitative labor practices Compounded by the devastating MeToo revelations these problems led to a wide scale call for change The Value Gap traces female driven filmmaking across development financing production film festivals marketing and distribution examining the realities facing women working in the industry during this transformative moment Drawing from five years of extensive interviews with female producers writers and directors at different stages of their careers Courtney Brannon Donoghue examines how Hollywood business cultures value female driven projects as risky or not bankable Industry claims that movies targeting female audiences don t make money or women can t direct big budget blockbusters have long circulated to rationalize systemic gender inequities and have served to normalize studios prioritizing the white male driven status quo Through a critical media industry studies lens The Value Gap challenges this pervasive logic with firsthand accounts of women actively navigating the male dominated and conglomerate owned industrial landscape      **Screen Actor** ,1998      **Jet** ,2000      The Hollywood Reporter ,2007
