How to Write a Good Dissertation A guide for University Undergraduate Students Lorna Marie, 2018-05-28 How to Write a Good Dissertation A Guide for University Undergraduate Students is an essential reference guide for university undergraduate student and anyone who wishes to write at professional level. Every undergraduate student will at some point be required to write a dissertation project a portfolio or thesis. This could be daunting and having gone through that experience myself I thought a book like this would be helpful to students around the world. I have tried to keep it concise succinct and as brief as much as possible. The last thing a student needs is reading a lengthy guide on how to write their onerous project. Most of the chapters cover topics every student will find useful regardless of their course of study. This book covers essential policies guidelines and procedures set out in the code of practice for writing projects in most reputable universities around the world.
