Shear Savvy Lori Halloway, 2009 Salon industry professionals can easily increase their income without having to increase their expenses and eliminate vicious and expensive turnover they experience after hiring graduates from cosmetology school. By utilizing cosmetology apprenticeship, they are able to use the apprentice as an assistant and eliminate the need for hiring paid assistants. And at the same time, they are able to share their knowledge and salon's philosophy in order to grow their business and produce qualified, vested team members in any economy. Shear Savvy is a straightforward, easy-to-follow guide that takes salon industry professionals through an apprenticeship in six simple steps. The book provides detailed instructions on how to start and maintain a successful cosmetology apprenticeship program and provides the documents and resources necessary on a comprehensive CD. Everything they need to know is included in the book and on the CD. There are contracts, spreadsheets, schedules, letters, mailing labels and step-by-step instructions on how to simplify the state-required paperwork. There is even a salon floor plan and instructions on how to modify it to resemble the layout of any salon. These forms can also be utilized when applying for a School of Cosmetology license in the event a state does not have approved cosmetology apprenticeship guidelines. By utilizing Shear Savvy, any salon industry professional can accomplish a Cosmetology Apprenticeship, Nail Technician Apprenticeship or Esthetician Apprenticeship. **A Prison Chaplaincy Manual** Donald Stoesz, Hank Dixon, 2020-07-31 The manual provides a rationale for chaplaincy by using Winnifred Sullivan's three categories of religious secularism: irreligious secularism and areligious secularism to outline the essential and transforming value of spiritual care services. Writing the Pre-Raphaelites Tim Barringer, 2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism's innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement's wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth century European culture
