community But despite his affection for this place he struggles with memories of the very different world in which he was reared Is there room to love both Wyatt and his parents Are they still his parents if they are no longer there As others around him grow increasingly fixated on the hope of salvation and the new life to come through the imminent Rapture Cole begins to conceive of a different future for himself one in which his own dreams of heroism seem within reach Written in Sigrid Nunez's deceptively simple style *Salvation City* is a story of love betrayal and forgiveness weaving the deeply affecting story of a young boy's transformation with a profound meditation on the meaning of belief and heroism Christianity, Cults and Religions Pamphlet Rose Publishing,1998-10 Jesus Made in America Stephen J.
