

CLOSING REMARKS

Provost: Thank you, Mr Chairman. May I on behalf of the faculty say a brief word of thanks to you, our president and all our speakers. We are very grateful to Geigy (U.K.) Limited Pharmaceuticals Division, who have been responsible for the organization of this meeting and the financing of it, for without them we would not have had such a remarkable time this afternoon. Finally, our thanks go to our own Dr Austin Elliott and Dr George Crawford, who did so much also in the organization.

The New Woman's Film Hilary Radner, 2017-01-20 With the chick flick arguably in decline film scholars may well ask what has become of the woman's film Little attention has been paid to the proliferation of films often from the

independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle brow novel or smart chick flicks This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience The new woman s film as a genre includes narratives with strong ties to the woman s film of classical Hollywood while constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include The Bridges of Madison County Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 Blue Jasmine Woody Allen 2013 Frances Ha Noah Baumbach 2012 Belle Amma Asante 2013 Fifty Shades of Grey Sam Taylor Johnson 2015 and Jane Campion s Top of the Lake Sundance Channel 2013
