The Travail of Religious Liberty Roland H. Bainton, 2008-09-01 The pages of history are filled with stories of men and women burned at the stake exiled and ostracized in the name of religion Thus Roland Bainton explains the struggle within the Christian Church to achieve religious liberty by telling in popular biographical style nine stories of sincere people both persecutors and persecuted who took part in the struggle Bainton's biographies begin with Thomas of Torquemada instrument of the Roman Catholic Inquisition and with John Calvin who active in the burning of Michael Servetus He then covers how such persecution brought about the toleration controversy of the sixteenth century when Sebastian Castellio struck his blow for religious liberty when Hollander David Joris made a mystical approach to tolerance and when Franciscan Bernardino Ochino believed in the cultivation of the inner life Finally he concentrates on the champions of religious liberty in the 17th Century John Milton Roger Williams and John Locke

Erasmus of Christendom Roland H. Bainton, 2016-04-01 Born the illegitimate son of a priest and plagued throughout life by illness and poverty Erasmus of Rotterdam was sought everywhere for his wit and erudition No man in Europe had so many friends in high places a lifelong cosmopolitan he moved from country to country lodging in palaces and in the households of public printers a friend of Thomas More and Henry VIII and a correspondent of Luther and the pope A true man of letters Erasmus wrote and translated tirelessly arguing teaching campaigning for the purification of the church He ridiculed worldly prelates but deplored Reformers who broke from Rome On all occasions he spoke for moderation in thought and action for classical humanism and a Christianity of the inward spirit Still he lived to see many of his friends imprisoned beheaded or burned for their beliefs and he himself was accused of heresy Through charming and frequently humorous glimpses of the people and scenes of Erasmus's life Professor Bainton suggests the amplitude of his hero's nature An affectionate appreciation Time Magazine calls *Erasmus of Christendom* In Bainton's view the current revolution in the church makes the Erasmian message even more pertinent and perhaps more poignant than ever before Woodcut images and illustrations throughout Hendrickson

Classic Biographies feature enduring stories about real people whose lives have been touched and transformed by God and who in turn have touched others with God's love. Each story has been carefully selected, gently edited if necessary, and freshly typeset, making every account be it ancient or contemporary a compelling read. Great lives reaching across the ages to touch lives today, encouraging, challenging, and inspiring.
