Pfeifer, 2011-04-01 In this deeply researched prequel to his 2006 study *Rough Justice* Lynching and American Society 1874 1947 Michael J Pfeifer analyzes the foundations of lynching in American social history Scrutinizing the vigilante movements and lynching violence

that occurred in the middle decades of the nineteenth century on the Southern Midwestern and far Western frontiers The Roots of Rough Justice Origins of American Lynching offers new insights into collective violence in the pre Civil War era Pfeifer examines the antecedents of American lynching in an early modern Anglo European folk and legal heritage He addresses the transformation of ideas and practices of social ordering law and collective violence in the American colonies the early American Republic and especially the decades before and immediately after the American Civil War His trenchant and concise analysis anchors the first book to consider the crucial emergence of the practice of lynching of slaves in antebellum America Pfeifer also leads the way in analyzing the history of American lynching in a global context from the early modern British Atlantic to the legal status of collective violence in contemporary Latin America and sub Saharan Africa Seamlessly melding source material with apt historical examples The Roots of Rough Justice tackles the emergence of not only the rhetoric surrounding lynching but its practice and ideology Arguing that the origins of lynching cannot be restricted to any particular region Pfeifer shows how the national and transatlantic context is essential for understanding how whites used mob violence to enforce the racial and class hierarchies across the United States **Rough Justice - A True Story**

Robert Steele,2013-06-06 This is a true story about a shop steward who had 83 grievances with his employer over a 14 month period By doing his best as a shop steward he ended up with 57 personal grievances and was threatened with the sack 8 times and was actually sacked twice The Trade Unions District Audit were informed of these problems though they seemed to decide to protect the employer rather than their union member Solicitors and barristers were subsequently involved however time passed and this led to time running out for a potential claim The issues were put into court which in the opinion of the author led to rough justice Rough Justice Charles Edward Montague,1926 **Rough Justice** Lyle Brandt,2014-11-04

THE WAR IS OVER The Civil War may have ended but division still remains among its survivors Some continue to rally for equality Then there are others like the Knights of the Rising Sun They re a group of vicious vigilantes who want to halt progress in Texas and put an end to bluebellies and carpetbaggers by bullet fire and noose THE FIGHT CONTINUES The Secret Service sends Gideon Ryder to stop the Knights before they grow from a gang into an army But as Ryder follows the band of villains from Corpus Christi to Jefferson Texas his mission proves more difficult than planned especially when the cowards only surface with sacks over their heads To learn their identities Ryder will have to get close enough to see under the hoods Luckily Gideon has an army of his own ready to take them down flanked by his Colt in his left hand and his Henry in his right **Rough Justice** Trevor Gale,2005

Even in an age of economic prosperity there are young people who live on the edge of western societies and who are held accountable for their every indiscretion sometimes even for those of others This book employs a sociological imagination to make connections between the public issues and private troubles of youth living on the street The narrative is pedagogical in intent seeking to make sense of seemingly antisocial behavior understood in the context of broader social political and economic concerns In particular it speaks to the helping professions of education

law social work nursing psychology and medicine *Rough Justice* Sarah Castille,2015-02-03 Raised for her father in a motorcycle gang Arianne always was dreaming with a normal life but when she escapes her father s domineering grasp she finds herself at the mercy of the alpha leader of the notorious Sinner s Tribe Jagger Knight is a really strong man but Arianne can t ignore their tempestuous attraction **Rough Justice** Michael James Pfeifer,2004 Investigates the pervasive and persistent commitment to rough justice that characterized rural and working class areas of most of the United States in the late nineteenth century This work examines the influence of race gender and class on understandings of criminal justice and shows how they varied across regions Rough Justice Steve Rasnic Tem,2024-10-03 Kafkaesque isn t a term that s used often or even lightly So when it finds itself tied to any modern day author you know you ll be in for a real treat And that s just what we ve come to expect from Steve Rasnic Tem His work often embodies the same nightmarish quality that authors like Kafka inject into their own writing However in Tem s stories the situations are even more nihilistic His environments are inhabited by droogs and degenerates lost or forgotten whose stories up until now have had no voice But in a world overrun by an abject and apathetic populace Tem provides his characters with all the voice they need Thus it s no surprise that violence is the wallpaper that lines Tem s squalid hallways Stories like Facing It and Rough Justice portray a dog eat dog world where little bastards are held in check and accused baby killers receive their just deserts But keep a look out for irony knocking on the door it provides all the epiphany our flawed anti heroes would ever wish to meet In Rat Catcher an infestation of rodents in one family s home leads to an anguished plea for help But the man who arrives leaves their children unsettled and like the nightmare the father endured as a child a horrific manifestation has been resurrected Just as deplorable is The Stench in which Riley is continually hampered by foul odors found in ordinary people places and things forcing him to avoid them at all costs But one man s trash is another man s treasure and for Riley the stench he so admonishes may in fact be our windfall Tem shows that there may be a glimmer of sentiment lurking inside one that needs its door slammed shut Love Letters features a man traveling cross country in the hopes of recovering his ex s love notes No matter what their nostalgia they pull him further from reality and further from the closure he so desperately needs Daddy s an Actor and My Daughter is Here feature two distinct father daughter depictions one that surrounds a fascination with the art of acting and the other with end of life care Their faux relationships may be teetering on the brink of collapse but thankfully their daughters are there to swoop in and help as needed in their own little maladjusted ways Unlike the noir driven exploits from your father s time these forty three tales of crime and deception run the gamut from high altitude capers to back alley brouhahas You ll meet obsessives and connivers goons and scoundrels You may find it uncomfortable or even disturbing but you ll never be lonely or bored locked inside Tem s Kafkaesque amphitheater With nearly 500 pages of disturbing content it s not to be read all at once *Rough Justice* Lisa Scottoline,2009-10-13 The third electrifying book in 1 bestselling author Lisa Scottoline s Rosato Associates series has criminal lawyer Marta Richter in a race to prove one man s
