

Workbook **Engine K Series 1.8 VVC**

Whilst every effort is made to produce up-to-date literature, this training workbook should not be regarded as an infallible guide to current specification, nor does it constitute an offer for the fitment of any particular system or component.

This Training Workbook is designed to support the Service Product Training courses and is issued as part of the training programme.

It may be used to complement other literature available but the Repair Operations Manual should always be consulted prior to servicing or repair work.
