Magda Revealed Ursula Werner,2025-07-30 What would Jesus do This wry irreverent fictionalized account of his life and ministry told from the perspective of disciple Mary Magdalene will implode everything you thought you knew Jesus Christ Yeshua to his friends is not happy Two thousand years after his death he sees Earth heading toward oblivion Ever eager to save humanity he asks Mary Magdalene Magda for help It s time to tell the real story of our time together he says Time to correct all the misinformation misogyny and lies spread by Peter Paul and the Roman Catholic Church Still pissed that she s been called a whore for almost two millennia Magda resists but ultimately out of love for Yeshua reluctantly agrees Through Magda s words Yeshua to most today a symbolic practically mythological Biblical figure comes back to life as a man of flesh and blood one wholly devoted to spreading his message of radical equality Magda tells of her travels with Yeshua and his followers around Galilee where they are menaced at every turn by Roman rulers She relates tales of miracles and murder jealousy and acceptance misogyny and female empowerment She describes her relationship with Yeshua clarifying centuries of speculation about whether or not they were in love And painfully she reveals the truth about who orchestrated his death But Magda s narrative does not end there Her life with Yeshua has taught her that she has more strength than she ever imagined and she begins to tap into a spiritual power that is uniquely her own the power to connect people Magda s true role in the history of humanity it turns out is just beginning to unfold

Bible Stories for Courageous Boys B&H Kids Editorial Staff,2017-02-01 These men from the Bible show what it means to live courageously This vast and colorful cast of biblical characters overcame doubt and fear to do what God asked of them Featuring animated and lively illustrations with retold

stories in clear cut language Bible Stories for Courageous Boys will build courageous boys and their faith Readers will enjoy 129 stories as well as profiles on these courageous characters Adam Noah Abraham Isaac Jacob Joseph Moses Joshua Gideon Samson David Elijah Daniel Joseph John the Baptist Peter Jesus Christ Paul *Paul the Reluctant Witness* Blake Shipp,2005-11-01 In this stimulating analysis Shipp provides the reader with an introduction and critique of literary rhetorical analysis as well as an in depth treatment of the triple account of Paul s Damascus Road experience in Acts Luke used the repetition of the Damascus narrative as a literary device identifying Pauline disobedience and resistance and the transformation of these characteristics With the first Damascus narrative Luke provided the reader with a paradigmatic image of resistance transformed Luke used the Damascus narratives and these themes to bracket the Paulusbild fashioning the trial narrative into an extended period of transformation of Pauline resistance Beginning in 19 21 Paul resisted the leading of the Holy Spirit and his appointed location of witness He was an intentionally forceful actor resisting God God bound this intentionally forceful actor in chains In this opening scene of the Paulusbild Luke included the second Damascus narrative 21 33 22 24a The themes emphasized in the narrative were those of Saul intentionally resisting gospel expansion and God s subsequent overcoming of Saul Saul was physically restored through Ananias but not fully transformed He is not yet an empowered and intentionally forceful witness At the end of the Paulusbild as Paul is headed to Rome Luke included the final Damascus narrative 25 23 26 32 Paul was headed to Rome but not in the freedom intended by God He remained in chains because of his own actions Thus his character was one of tension The Damascus narrative that Luke included demonstrates Saul s intentionally forceful resistance to the gospel However the vacating of power and overcoming of Saul is suppressed and the theme of the transformation of resistance to empowered witness is emphasized Nonetheless the character of Saul in the speech does not match the character of Paul in the narrative Tension remains but the projected direction of transformation is evident Paul is headed to Rome The vision of grace has effected a transformation in Saul but not yet in Paul If the trajectory of transformation continues then Paul should once again be an intentionally forceful empowered witness for the gospel when he arrives in Rome from Chapter 5 **The Prelude to Pentecost** R. L.

Speaks,2007-04-02 The power to witness effectively in these troubled times is the basis for this book in which Speaks challenges today s church to offer more than pep pills of personal piety laxatives of racial tolerance and the surgery of social revolution Speaks dares the church to build temples of love on the dung hills of hate to build a new community of brotherhood upon the shifting sands of racism and to build a new society of peace upon the wastelands of human strife
