Saving Grace Serve And Protect Series English Edition:

The Merzetti Effect Norah Wilson, 2011-06-06 Dr Delano Bowen has searched over a century for a cure for his vampirism. At last he's found it in nurse Ainsley Crawford, a descendent of the Merzetti family carriers of an anti vampirism agent. She has no idea of the genetic gift Delano is reaping. When danger threatens, he draws her close to protect her. But when attraction flares hot and urgent, she could literally be the death of him. **The Case of the Flashing Fashion Queen** Norah Wilson, Heather Doherty, 2011-04-23 Tired of getting no respect at the big P I firm where she's worked for years, Dix Dodd has hung out her own shingle at the ripe age of 40. There are plenty of cheating husbands to go around, and Dix has a knack for busting them. Problem is, it doesn't always pay so well. Conscious that the guys back at the old firm are laying bets about how soon she'll come crawling back, she figures she's got six months to make a go of it. The going gets even tougher when she hires Dylan Foreman. But when he told her about getting fired from his law firm and disbarred for putting common decency before the firm's interests, she hired him on the spot. In addition to being smart, he's gorgeous enough to remind her she's a woman. And at 28, young enough to make her feel like a total cougar. Things start looking up when Dix gets hired by millionaire businessman Ned Weatherby's wife, Jennifer Weatherby, to tail Ned 24/7 for a week for a cool ten grand. Easy peasy, right? Wrong. The job lands Dix in the middle of a murder investigation with her as the prime suspect, and her arch enemy, Detective Richard Head, aka a Dickhead, one of the cheating husbands she'd nailed gunning for her. Dix will need all her ingenuity as well as the help of Dylan and her oddball cast of supporters to extricate herself from this one. **Needing Nita** Norah Wilson, 2010-09-30 NOTE: This is a 15K Novella, not a full novel. Attorney Nita Reynolds is hot for Det. Craig Walker, but he's given up asking her out. She doesn't date cops until a doctor's call makes her re-examine her priorities. Believing she has a brain tumor like the one that killed her father, she vows to make love to Craig Walker while she still has her full faculties. By the time the doctor realizes he's mixed up the scans, she's in way too deep. The Standish Clan Trilogy Norah Wilson, 2016-04-13 This box set contains the three full novels in the Standish Clan Trilogy. A Fall from Yesterday Ocean Siliker has come back to Harkness, New Brunswick, in defeat after failing to set New York on fire with her playwriting. The first item on her agenda: Climbing White Crow Cliff, where her best friend Lacey Douglas died six years ago. If she conquers the mountain, perhaps she can rediscover her courage. But the only thing she finds herself is lost. Family obligations have left Titus Standish stuck in Harkness. While his younger siblings went off into the world, he stayed working the farm and running the local search and rescue. He was there when Lacey fell to her death and blames himself. He dreads the day another mission takes him up there again. But when Ocean's mother calls, concerned that her daughter is wandering the mountain, he leaps into action. Ocean is thrilled to be found until she sees her savior. She's known Titus Standish all her life and has loved him almost that long. But at four years, his junior, she was just a kid with a crush. When Titus finds her, he's determined to march her back down the mountain to safety. But Ocean has other plans: she'll be damned if she'll give up this trek. Yet all trails seem

to lead to one place straight into Titus's arms. Ember's Fire Ember Standish and Jace Picard had their lives together planned before they graduated high school. But that was before he cheated on her. Ember went on with her life and their paths never crossed again until now. Home for the Thanksgiving weekend, she's dispatched to carry meds out to an injured hiker holed up in a hunting camp on the Prince River. Newly certified as a doctor, she plans to put her skills to work on that sprained ankle. Yet when she finds out who's at the end of that long hike, it's her heart that may be in need of repair all over again. When a storm blows in, she's forced to stay the night. Jace, who has habitually hermitized himself away during her holiday homecomings, can no longer dodge her. It soon becomes obvious that what happened that long ago night is shrouded in more mystery than either of them knew. Ember's mission of mercy to a faceless hiker turns into a quest for answers with the one man she could never forget. The only thing they know for certain is that the long buried passion between them is still there just waiting for a spark.

Promise Me the Stars. Scott Standish has been a rambling man since his mother got sick way back when he was eighteen. Unable to watch her die, he left home after graduation and kept roaming. But when he goes home to Harkness, New Brunswick, for a Thanksgiving visit, he discovers he's got a stowaway: ten-year-old Sid, the Kid, his sidekick from the job he just left. For once, moving on had been hard, and not just because of Sid. The attraction between him and Sid's mother, chef April Morgan, is electric. But she's a single mom needing stability, and he plans to keep moving. When April comes to Harkness to retrieve Sid, she does so in a car packed with all her worldly possessions, having been fired from her position over her daughter's behavior. Realizing her predicament, Scott offers her domestic employment. With no place to go and no one to turn to, April and Sidney make a home at the Standish farm. Her daughter is thrilled, rapidly becoming attached to the dog and the family, despite April's reminders that it's only temporary. Scott Standish might be tied to the farm for a few months, but she knows he'll settle nowhere, least of all in Harkness. April can't afford to take a chance with her heart or her daughter's. So she has no choice but to fight the yearning that grows stronger inside her every day.

The Gospel in Genesis and in the City John P. Davis,2020-04-09 Genesis offers insight and encouragement to those who live and minister in urban environments Though the world began in a garden temple it eventually arrives at an urban temple There are indications in Genesis that those who are made in God s image seek community and urban living offers the promise of community The first major attempt at city building in Genesis represents man in rebellion against God Contrariwise the New Testament tells us that Abraham was looking for a city whose builder and maker was God Abraham desired a city designed for worship not a Babel like monument to human rebellion Human cities most often represent rebellion not worship and need redemption Genesis offers much insight into how the unfolding story of the gospel relates to the desperate plight of urban dwellers as they futilely seek to find rest and community in urban temples that worship the creature rather than the Creator
