and Civic Activism in the United States challenges and revises these stereotypes by demonstrating the critical influence of Latino Catholics Evangelicals Pentecostals Mainline Protestants and others on political civic and social engagement in the United States and Puerto Rico It also revises the ostensibly secular narrative of Latino history and politics The authors analyze the critical role that institutional popular and civil religion have played in Latino activism This timely book offers readers a new framework by which to understand and to interpret the central importance of religious symbols rhetoric ideology world views and leaders to Latino religions and politics over the past 150 years A Club of Their Own Eli Lederhendler, Gabriel N. Finder, 2016-10-05 Volume XXIX of Studies in Contemporary Jewry takes its title from a joke by Groucho Marx I don't want to belong to any club that will accept me as a member The line encapsulates one of the most important characteristics of Jewish humor the desire to buffer oneself from potentially unsafe or awkward situations and thus to achieve social and emotional freedom By studying the history and development of Jewish humor the essays in this volume not only provide nuanced accounts of how Jewish humor can be described but also make a case for the importance of humor in studying any culture A recent survey showed that about four in ten American Jews felt that having a good sense of humor was an essential part of what being Jewish means to them on a par with or exceeding caring for Israel observing Jewish law and eating traditional foods As these essays show Jewish humor has served many functions as a form of insider speech It has been used to ridicule to unite people in the face of their enemies to challenge authority to deride politics and politicians in America to ridicule conspicuous consumption in Israel to contrast expectations of political normalcy and bitter reality However much of contemporary Jewish humor is designed not only or even primarily as insider speech Rather it rewards all those who get the punch line A Club of Their Own moves beyond general theorizing about the nature of Jewish humor by serving a smorgasbord of finely grained historically situated and contextualized interdisciplinary studies of humor and its consumption in Jewish life in the modern world Go Greyhound, Go! Paul Watkins, 2023-05-16 See America by Greyhound was Paul Watkins magic ticket to 35 US States In the company of his four legged friend the spirit of the Founding Fathers urged him on through famous cities and landscapes and memorable encounters including the Alamo and Hollywood visions of Daniel Boone Washington's gay revolution and a stand off with a jungle cat in a blacked out New York apartment **The Consequences of Molly's Choice** M. Egram, 2012-04-12 Molly Wagner is a radiant blonde and a rumored former party girl Her charismatic joyful personality seems to reveal a shallow core and she may have a couple of rather large skeletons in her closet In spite of these skeletons however she has just been elected President of the United States After a lengthy personally painful campaign Molly has come out victorious the leader of America having disposed of her competition chiefly the Republican governor of Ohio in a tense election Not only did she choose a woman as her running mate but she chose a Latino woman Eva Parker As Molly struggled to move forward after the death of her husband she drew strength and comfort from her friend Wall Street financier Jenny Crowley Now ready for the White House Molly's difficulties have only begun The

decisions she made during the election will have serious consequences Beneath the hot microscope of public office Mollys quirks may not measure up The press can be cruel and so can other politicians Now only time will tell if the most powerful woman in the world will crumble under the pressure or become the leader America has been waiting for This political novel explores age old questions such as whether the ends justify the means whether politics is inherently susceptible to dishonest if not illegal behavior by otherwise good people and whether a politicians personal life has a place in public discourse
