Seventh Day Bible Study Guide Second Quarter 2015:

Is Jesus God? Let the Bible Unfold Its Own Mysteries Vincent Ntema Sazita, 2016-03-31 Is Jesus God has been a long standing question that protracted over millennia and has continued to extend from the past the present and to the unforeseeable future Man has tried to research on the fact of whether Jesus is God or not and each time he digs further into this question he ends in whims But here is the answer for the millennia long search This book answers all questions relating to this issue and clearly explains each quizzical and mythical confrontation on whether Jesus is God The ambiguities from the Bible which have inclinations on addressing Jesus as God have been identified and explained extensively Further the book addresses the trinity issue and deeply searches the statements from God Himself as to whether He said Jesus was God and as well requiring the same statement from Jesus Himself on this similar issue *Virtuous Woman* Clifford

Chaukura, 2015-12-15 What constitutes a virtuous woman How does one find virtue and over what period of time This book contains insightful chapters emphasising this attribute of virtue which every woman should seek more than anything else in life While there are many books on the market with countless suggestions on how to be a virtuous person this book stands apart in showing proven pathways of virtue which many successful women trod through without any regrets It is my hope that those who go through the pages of this book with a heart filled with earnest zeal to be a virtuous woman will definitely receive rich rewards in that regard **Biblical Discipleship Study Guide: Essential Components for Attaining**

Spiritual Maturity Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book *Biblical Discipleship Essential Components for Attaining Spiritual Maturity* However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature **The Elephant in the Room** Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to

do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are

needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

approach the end of the age As you come to understand the truth about these signs your faith will grow you will live more confidently and you will gain a new hope for the future knowing the time for the return of the Prince of Peace is drawing near Each Lesson Includes An outline of the main subjects and Scriptures covered during the lesson An overview of Dr Jeremiah s teaching on the topic being studied Application questions to help individuals and small groups delve into the Bible A Did You Know section that adds a point of interest to the lesson This study guide is designed to be used in conjunction with The Book of Signs 9780785229551 but it may also be used by itself for personal or group study Malachi's Use of Joel's Day of the Lord Petronio M. Genebago,2023-07-07 The Day of the Lord texts of Malachi Mal 3 2 7 4 5 demonstrate that he seems to allude to Joel s Day of the Lord 2 11 13 31 MT 3 4 Malachi s Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored Thus the passages themselves call for an inner biblical allusion study In addition the interpretive significance of Joel s Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated Thus these are the interrelated questions a What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord b How did Malachi use Joel s Day of the Lord motif c How did Malachi develop the Day of the Lord theme in his book There are three purposes of this study The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord The second is to determine how Malachi used Joel s Day of the Lord motif The last is to ascertain how Malachi developed the Day of the Lord theme in his book **Going Deeper With God Every Day** Carl Shank,2017-11-20 Going Deeper with God Every Day is a starter Bible based devotional for the new year It s January entries includes an every day reading for January along with Study Guides which invite the reader to go deeper into the devotional Additional days for the rest of the year is provided online by a link which can be accessed by anyone *Revelation in the Song of Songs* Vola Masoandro Andrianarijaona,2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God s names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of

Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book **The Letters to the Colossians and to Philemon, 2nd ed.** Douglas J. Moo, 2024-11-12 An erudite and evangelical guide to Paul s letters to the Colossians and to Philemon With brilliant exegesis and sound practical insight noted commentator Douglas J Moo explicates the Letters to the Colossians and to Philemon with an eye toward their application for readers today Moo bases his commentary on the Greek text of the letters while accessibly explaining the English text to his contemporary audience Freshly revised and updated this second edition remains methodologically sound authentically evangelical and pastoral in approach This invaluable volume of the Pillar New Testament Commentary series offers biblical insights to a wide range of readers from teachers and students to pastors and parishioners
