Seventh Day Adventist Bible Commentary Volume Five:

I Am Saved and Yes, I Am Perfect Herman Bauman, 2011-06-14 This book is a collection of sermons preached by Herman Bauman during his 45 years of full time ministry It was always his desire to help people know that they can have assurance of salvation and be certain that they are accepted by God That message shines through in these messages preached in many different places and for many different occasions Herman with his wife Janice a nurse served in the South New England the Midwest the Northwest and the Southwest as well as in Nigeria West Africa It is his prayer that you will be blessed and given hope and assurance as you read these messages **A Harmony of the Gospels** Bradley Galambos, 2012-04-24 An Expanded Interpretative Paraphrase of a Chronological Harmony of the Four Gospels with Cross References Supplementary Notes and Indexes Unlocking the Messianic Prophecies Marc Rasell, 2012-04-24 This short booklet describes the Messianic prophecies and their fulfillment It was after the fall when the outlook for Adam and Eve seemed bleak that the first Messianic promise was given Genesis 3:15 Eve was promised that one of her descendants would destroy the serpent Satan More details were added over time how he would smite the wicked and all nations would be blessed through him He would usher in a reign of peace happiness and safety when nature will be changed harmful animals will become tame and people would live forever The ultimate goal of the Deliverer is to save the lost and restore the earth to its Edenic state The Messiah brings the light of salvation and God's law to the Gentiles Habakkuk describes his hidden power as glory emanating from the wounds in his side He is also called the Suffering Servant who is rejected and despised by men he dies for the people and makes intercession for them Isaiah 53 **New by the Spirit** Arnold Valentin Wallenkampf, 2006 Have you ever wondered if you have been baptized by the Holy Spirit Do you have one or more of the gifts of the Spirit And what about the fruit of the Spirit Is regeneration through the Spirit characterized by an instantaneous change of heart These are only a few of the many questions people often ask questions that deserve a forthright answer And at last the answers are given in plain terms that everyone can understand In this volume Pastor Wallenkampf has given of his best Neither the topic nor its treatment needs apology Here is a bible based dependable and scholarly treatise that you will treasure for years to come Back cover *Adventism Re-examined: 75 Years of Changes, Challenges and Choices* Gordon Kainer, 2019-11-13 My book's objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of

Adventism over the past seventy five years it s had a positive effect on my knowing and understanding Jesus and I hope the same goes for you What Every Seventh-Day Adventist Should Know About the Shepherd'S Rod Garrick D.

Augustus,2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism **Foundations of Theology** John Peter

Lewis,2022-07-15 Foundations of Theology is a unique systematic theology constructed from a review and consideration of biblical historical primarily the early church the Reformation and revivals and contemporary sources Significantly the theology of Ellen White is referred to in most sections and is considered the foundation source for other inclusions Furthermore Foundations of Theology is a contemporary theology that is profoundly Arminian and Wesleyan but also refers to Martin Luther John Calvin and Karl Barth It is intended for a broad audience being academic in its referencing but accessible in its discussion *Judgment: Great News or Dreaded Dilemma?* Gordon Kainer,2014-09-23 No biblical theme

raises more fear or discouragement among Adventists than God s judgments especially the pre advent judgment However there is great news The author reveals how our fear disappears when we accept Jesus the righteous One as our Substitute in the judgment Learn how God s judgment illustrates His purpose of universal restoration and vindication in the context of His covenant grace and justification Through a loving God s offer of justification by faith we can stand confidently in the judgment with Christ our Advocate Discover joy in salvation by faith in Christ alone that the pre advent judgment is Christ centered not man centered it is not what you have done but what He has done for you Judgment does not question your decision to accept Christ s sacrifice it validates the decision you ve already made Finally readers will find peaceful assurance that eternity won t begin until every human question has been answered to our satisfaction in the judgment **Catalog of**

 Marc Rasell, 2012-04-24 Behind the scenes of this world spiritual forces are fighting over the souls of men in the great controversy between Christ and Satan Ephesians 6 12 The Scriptures reveal the play and counter play of these forces throughout sacred history until the return of Christ and the setting up of His kingdom Daniel 2 44 It is important for us to know where we are in the scheme of things and be prepared to take our stand on the right side Those who do nothing but sit on the fence are in danger of being swept away by the spiritualistic delusions that are to come upon the world Matthew 24 24 God has given us light in His Word to guide our steps and light our path Psalm 119 105 The deceptions and philosophies of spiritualism will increasingly infiltrate the church and take on a holy garb until one day the church will become a haunt of demons Revelation 18 2 God has given us warnings in His Word to protect and guide us none will be deceived without first hearing and rejecting the truth 2 Thess 2 11 12 **Who Is the Adventist Jesus?** Elmer Wiebe, 2005-07 **The Alpha and Omega** Michael Karr, TEMPORARY DESCRIPTION FULL DESCRIPTION PENDING God's Sacred Occasions John R. Oliver MD, 2023-06-14 The Feasts of the Lord or God's Appointed Times first appear in the Bible during the Exodus There are three aspects to the Feasts of the Lord 1 Agricultural 2 Memorial and 3 Prophetic They are prophetic about both the First Advent and the Second Advent which means that some events prophesied have not happened yet The Jewish calendar was to be determined by the New Moons and the ripening of barley in Israel and consisted of twelve or thirteen months The first of the Appointed Times was Passover and the Feast of Unleavened Bread Unfortunately the Hebrews rarely observed the Feasts of the Lord and this ultimately led to their division and the Babylonian captivity In Babylon they began to rely upon the Babylonians astronomical calculations as well as observations to try to determine when the Feasts of the Lord would occur Finally in the fourth century they began to rely solely on calculations to determine the dates of the Feasts of the Lord The Feasts of the Lord played an important role during Christ's time on earth There were four Passovers during His ministry culminating in His crucifixion at the time of the fourth Passover After His resurrection the Holy Spirit was poured out upon His followers in Jerusalem on the day of Pentecost The early Christian Church continued observance of the Feasts of the Lord Paul observed Passover and the Feast of Unleavened Bread in Philippi He was arrested at the time of Pentecost The first breaks from the Feasts of the Lord began in the second century CE The Feasts of the Lord are still important today because they were part of an oath from God and He never breaks His oaths Furthermore we will be observing Feasts of the Lord in the New Earth Exploring the Heavenly Sanctuary Marc Rasell, 2012-06-14 This book reveals whether there is a temple in heaven and what its purpose is Christ is revealed as our High Priest who intercedes for us This is the heart of the Seventh day Adventist message Issues addressed include Can we be sure there is a real temple in heaven What is the purpose of this temple When does the judgement start Do we need to keep the Ten Commandments Should we observe a literal Sabbath And much more The heavenly sanctuary reveals Jesus who ever intercedes for us Hebrews 7 25 An extremely thorough engaging

presentation of the framework of Seventh day Adventist beliefs Kirkus Review *The End* Herbert E. Douglass,2001 This book focuses on how all Christians should relate to the current worldwide emphasis on the end of the world and reviews the various conflicting voices within Christianity describing how and when the end will come including Noah s experiences before the flood Jesus description of people ready for His return and the practical questions Seventh day Adventists the world over today are now discussing **The Gospel In The Setting Of End-Time Events** Leonard Philips Tolhurst,2022-06-09

Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person s view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members **Seven**

Last Words of Christ Gabriel Baptiste,2021-06-01 The Cross of Christ was a rescue operation hatched from eternity past to save mankind from the tyranny of sin and Satan Angels watched in somber silence and abject horror as their beloved Creator and Commander in Chief was pummeled and thrashed from Pilate s court all the way to Calvary by the very creatures He designed created and came to redeem His well chosen words while in the throes of death by crucifixion give us an insight into his state of mind My God My God why have You forsaken Me But did God really forsake the one He twice affirmed saying This is My beloved Son in whom I am well pleased Every word Jesus uttered from the cross was salvific pregnant with meaning filled with promise and brimming with symbolism Join me as we explore analyze dissect and scrutinize the seven last words of the dying Messiah **Getting it Right** General Conference of Seventh-Day Adventists, Youth Dept

Staff,General Conference of Seventh-Day Adventists. Youth Department,2005 *Seal of God, The* Carol Zarska,2016-02-29 As the end of the world approaches The Seal of God is truly a matter of life and death Considered to be the sequel to Carol Zarska s most recent work COUNTDOWN Seven Trumpets for Today The Seal of God takes a fresh look at the sanctuary message and its vital importance for God s remnant people Zarska examines exactly how to align our thoughts and feelings to

those of Christ's how to hear His voice in our lives and how to live in His presence daily By walking through the symbolism of the sanctuary message and discovering what each part means Zarska helps to show the connection between the previously performed rituals and what each one means for us today As we journey towards God's throne in these final climatic years we must be prepared with the knowledge of the sanctuary and continually seek out God's guidance and direction in our lives Let The Seal of God help you to feel at peace with the events to come by better understanding the events of the past *Jesus Only* Ernán Norman, 2011-11-01 The focus and theme of this book is Jesus only The eternal verity taught in Scripture is that Jesus alone saves Therefore the central focus of the church must be on Jesus Christ the One crucified risen ascended interceding and coming again This was the secret to the life and power of the apostolic church Everything about the early church as recorded in the book of Acts was due to the presence and power of the Lord in His church The Scriptures clearly speak about their passion but also about the One who was central to their preaching teaching and living as a body of believers And daily in the temple and in every house they ceased not to teach and preach Jesus Christ Acts 5:42 Unfortunately the church no longer measures up to the life that God intended for it In these final and closing days of earth's history Jesus is anxiously awaiting for a portrait of Himself in His church The spirit and power of the apostolic period must return The central focus of Jesus Christ as Lord and Savior must return The dynamic Holy Ghost empowerment of the church must return The daily growth of the church must return The self-sacrificing spirit that should mark the life of a true disciple must return There is no question that we must return to primitive godliness and for that to happen the church will have to return to her first love which is a central focus on Jesus
