Sheafe Douglas Morgan,2010 Born Just as the Civil War Began Lewis Sheafe grew to manhood at a pivotal moment in American history But instead of racial equality the nation offered its freed slaves further oppression and injustice Sheafe strong willed dynamic and seemingly tireless had but two main objectives Uplift his people spiritually and socially and consistently adhere to biblical principle in all aspects of life His thirst for truth led him first to the Baptists where he became

both an eloquent minister and a prominent leader of the Black community Then his poor health led him to Battle Creek Sanitarium where he encountered Seventh day Adventism Sheafe saw in the Adventist message the tenets of race relations he already championed and he embraced it wholeheartedly He was sent to lead the Black work in Washington D C in 1902 and his evangelistic campaigns drew standing room only crowds of both Black and White listeners But during his turbulent years of Adventist ministry he and church leaders could not agree on how to apply biblical principles of racial equality The conflict eventually proved fatal to his ties with the denomination In this gripping biography Douglas Morgan pieces together the life of this forgotten leader whose story sheds light on the reason that no lasting separate Black Adventist denomination ever formed Book jacket Seventh-day Adventist Elder's Handbook Ministerial Association of Seventh-Day Adventists Staff,1994 *The Little Armageddon* John Churchill,2010-06-10 John Churchill is a baptized Seventh day Adventist Christian since May 30 1976 He is one of those who came up through the ranks in the church having a zeal from the lord from his early teens that would not let him just sit down in church or keep quiet about Jesus Sharing his faith came naturally and share he did He shared in any way possible He was on choirs taught Sabbath School class conducted cottage meeting worship services in homes wherever permitted did Bible studies with anyone willing to listen was involved in the Missionary Volunteer movement now Adventist Youth Pathfinding and all it entails and so on As he showed his commitment and zeal for the Lord's work he was given more and more responsibilities in the church and was involved in church leadership from his early years as a Christian John Churchill has been a Church Elder for many years and was ordained as an Elder December 31 1994 He has had many encounters with teachers of falsehood over the many years of his Ministry These encounters include a lot of experience with an offshoot group of the Seventh day Adventist Church called the Shepherd's Rod John Churchill is a lay evangelist and the founder of Battle Cry Ministry which pursues the worldwide aim of its mission through its website <http://battlecryministry.netadvent.org> He decided since about 2003 to write a book that would address the Shepherd's Rod offshoot problem in the church as he saw that the group was seemingly on the increase and causing problems and pulling away members of the church to become members of the group The book would help to not only educate members but help them to know how to deal with the problem in a very realistic practical way The book would also appeal to members of the group to cease their activities and rejoin the church coming back on the platform **Intergenerational Christian Formation** Holly Catterton Allen,Christine Lawton,Cory L. Seibel,2023-06-13 In a revised and updated edition this comprehensive up to date text offers a framework for intentional intergenerational Christian formation It provides the theoretical foundation of intergenerationality then gives concrete practical guidance on how worship learning community and service can all be achieved intergenerationally **Adventist Review** ,1999 *Comparative Christianity* Thomas Arthur Russell,2010 *Comparative Christianity A Student's Guide to a Religion and its Diverse Traditions* explores what Christians have in common and then works through the three major subdivisions of the faith Eastern Roman and Protestant Using categories common to

many definitions of religion each chapter employs the categories of belief individual and group moral codes ceremonies and associations The book is a good choice for a textbook on Christianity for the general reader and or the follower of other religious traditions who want to learn about the Christian faith By reading this book readers will have a fuller knowledge of what Christians whatever tradition have in common and what distinguishes one Christian group from another Comparative Christianity is different than other similar books on the market It includes groups normally ignored such as the Coptic and Ethiopian Orthodox Christians and Mormon groups beyond the scope of the Salt Lake City Latter day Saints community including the recent Texas group at the center of a polygamy controversy Also Comparative Christianity includes a review quiz at the end of each chapter so that readers can see how much knowledge they have acquired These quizzes may also be used by professors if the text is used in a course

The Indomitable Gertrude Green Max W. Hammonds, 2010 That was Gertrude headstrong confident and opinionated Her mother Lena sure that her oldest daughter would be somebody famous encouraged Gertrude to follow her dreams and taught her to be self disciplined and industrious And no Gertrude wasn't afraid of much Nursing school with its long hours and hard work didn't faze her Carrying the workload of two or three people didn't bother her Accepting a call to China as a missionary nurse in 1936 well she was understandably bewildered at first but certainly not frightened Challenging an arrogant Japanese soldier single handedly running a hospital and confronting the spoiled wife of a high ranking general were peanuts compared to the one fear that brought the unstoppable Gertrude Green to her knees She ran from that fear all the way home to Rochester New York but God needed her back in China Back in the same hospital in much the same circumstances she was in when she left but this time her faith in Him was ready to mature Oh and this time she and 51 others would need to flee the Communist army in the dead of winter on foot Book jacket

day Sabbath vegetarianism abstinence from tobacco and alcohol and refusal of its members to bear arms But the stance on the refusal to bear arms has seen a metamorphous in modern times Today more Seventh day Adventist young people have voluntarily joined the military than in any previous generation of the Church s history This volume is a compilation of essays that were presented at a conference called to discuss the Adventist Church s position on conscientious objection The presenters considered the history of the Church s stand and the changing views These discussions were not limited to American context but considered other countries including South Africa and Canada Two Views on Women in Ministry Zondervan,2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates Two Views on Women in Ministry furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one s strengths weaknesses and complexities Egalitarian equal ministry opportunity for both genders represented by Linda L Belleville and Craig S Keener Complementarian men and women fill distinctive ministry roles represented by Craig L Blomberg and Thomas R Schreiner This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format Each author states his or her case and is then critiqued by the other contributors The fair minded interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
