medieval glamping in the Prairies alpine ski by torchlight on New Year's Eve and much more      The Divine Guide in Early Shi'ism Mohammad Ali Amir-Moezzi, 2016-03-22 The Imam the Divine Guide is the central point around which the Shi'ite religion turns The power of Shi'ism comes from the actions of the Imam This title is reserved exclusively for the successors of the prophets in their mission The author shows that from the beginning of Shi'ite Islam until the tenth century the Imam was primarily a master of knowledge with supernatural powers not a jurist theologian The Imam is the threshold through which God and the creatures communicate He is thus a cosmic necessity the key and the center of the universal economy of the sacred The author presents Shi'ism as a religion founded on double dimensions where the role of the leader remains constantly central perpetual initiation into divine secrets and continued confrontation with anti initiation forces Without esotericism exotericism loses its meaning Early Imamism is an esoteric doctrine Historically then at the beginning of esotericism in Islam we find an initiatory mystical and occultist doctrine This is the first book to systematically explore the immense literature attributed to the Imams themselves in order to recover the authentic original vision It restores an essential source of esotericism in the world of Islam      The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet Mary Cowden-Clarke, 1845      **Turner Classic Movies Presents Leonard Maltin's Classic Movie Guide** Leonard Maltin, 2015-09-29 The definitive guide to classic films from one of America's most trusted film critics Thanks to Netflix and cable television classic films are more accessible than ever Now co-branded with Turner Classic Movies Leonard Maltin's Classic Movie Guide covers films from Hollywood and around the world from the silent era through 1965 and from The Maltese Falcon to Singin' in the Rain and Godzilla King of the Monsters Thoroughly revised and updated and featuring expanded indexes a list of Maltin's personal recommendations and three hundred new entries including many offbeat and obscure films this new edition is a must have companion for every movie lover      The New Jerusalem in the Book of Revelation Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John's main argument is that the church which is symbolized by several images is placed in heaven now chapters 4-20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21-22      **Reel Views 2** James Berardinelli, 2005 Thoroughly revised and updated for 2005 Includes a new chapter on the best special edition DVDs and a new chapter on finding hidden easter egg features      *Breastfeeding and Culture: Discourses and Representations*

Anne Marie Short,2018-04-01 For myriad reasons breastfeeding is a fraught issue among mothers in the U S and other industrialized nations and breastfeeding advocacy in particular remains a source of contention for feminist scholars and activists Breastfeeding raises many important concerns surrounding gendered embodiment reproductive rights and autonomy essentializing discourses and the struggle against biology as destiny and public policies that have the potential to support or undermine women and mothers in particular in the workplace The essays in this collection engage with the varied and complicated ways in which cultural attitudes about mothering and female sexuality inform the way people understand embrace reject and talk about breastfeeding as well as with the promises and limitations of feminist breastfeeding advocacy They attend to diffuse discourses about and cultural representations of infant feeding all the while utilizing feminist methodologies to interrogate essentializing ideologies that suggest that women s bodies are the natural choice for infant feeding These interdisciplinary analyses which include history law art history literary studies sociology critical race studies media studies communication studies and history are meant to represent a broader conversation about how society understands infant feeding and maternal autonomy     The Jewish Roots of Christological Monotheism Newman,James Davila,Lewis,2021-10-25 Although there are many studies of second Temple Judaism in general and of Christianity s relationship with Judaism in particular there has not been a sustained and comprehensive investigation of the way in which Christ devotion in the first two centuries of the common era represents a manifestation of Jewish monotheism This volume fills this gap in four distinctive ways 1 by re examining the theological force of monotheism during the Second Temple period 2 by retracing the historical steps of Christianity s adaptation mutation re definition of Jewish monotheism 3 by exploring and debating the influence of non Jewish traditions on this process and 4 by mapping the ways in which Christianity s unique appropriation of Jewish monotheism helps explain the intriguing relationships among emerging Christian Jewish and Gnostic communities In particular the eighteen essays demonstrate how the creation mythic of narratives the revelatory power of mystical experiences and the sociology of community formation capitalized on the Jewish meditorial tradition to encourage and legitimate the Christian praxis of Christ devotion
