Cestaro, 2004-07-22

Queer Italia gathers essays on Italian literature and film medieval to modern The volume s chronological organization reflects its intention to define a queer tradition in Italian culture While fully cognizant of the theoretical risks inherent in trans historicizing sexuality the contributors to this volume share an interest in probing the multi form dynamics of sexual desires in Italian texts through the centuries The volume aims not to promote the mistaken notion of a single homosexuality through history Rather these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various complex workings of desire in texts from all periods Somewhat paradoxically a kind of queer canon results These essays open a much needed critical space in the Italian tradition

wherein fixed definitions of sexual identity collapse *Queer Italia* is the first and only work of its kind in Italian criticism As such it will be of interest to a wide audience of Italianists medieval to modern and queer cultural theorists *The Routledge Handbook of Translation and Sexuality* Brian James Baer, Serena Bassi, 2024-08-19 The Routledge Handbook of Translation and Sexuality questions what it would mean to think of sexualities transnationally and explores the way cultural ideas about sex and sexuality are translated across languages It considers how scholars chart the multilingual rise of the modern sexual sciences in the nineteenth and twentieth centuries how translators writers and readers respond to sexual modernities and to what extent the keywords of queer social movements travel across borders The handbook draws from fields as diverse as translation studies critical multilingualism studies comparative literature European studies Slavic studies Middle Eastern studies Latin American studies and East Asian studies This pioneering handbook maps out an emerging brand of women s gender and sexuality studies that approaches sexualities as translational formations Divided into two parts the handbook covers Theoretical chapters on the interdisciplinary dialogue between translation studies and queer studies Empirical studies of both canonic and minor scientific religious literary philosophical and political texts about sex and sexuality in translation across a variety of world languages With 20 chapters written by leading academics from around the world The Routledge Handbook of Translation and Sexuality will serve as an important reference for students and scholars in the fields of translation studies applied linguistics modern languages and women s gender and sexuality studies **Rooney Custom**

Reconsidering the Emergence of the Gay Novel in English and German James P. Wilper,2016-02-15 In Reconsidering the Emergence of the Gay Novel in English and German James P Wilper examines a key moment in the development of the modern gay novel by analyzing four novels by German British and American writers Wilper studies how the texts are influenced by and respond and react to four schools of thought regarding male homosexuality in the late nineteenth and early twentieth centuries The first is legal codes criminalizing sex acts between men and the religious doctrine that informs them The second is the ancient Greek erotic philosophy in which a revival of interest took place in the late nineteenth century The third is sexual science or sexology which offered various medical and psychological explanations for same sex desire and was employed variously to defend as well as to attempt to cure this perversion And fourth in the wake of the scandal caused by his trials and conviction for gross indecency Oscar Wilde became associated with a homosexual stereotype based on unmanly behavior Wilper analyzes the four novels Thomas Mann's Death in Venice E M Forster's Maurice Edward Prime Stevenson's Imre A Memorandum and John Henry Mackay's The Hustler in relation to these schools of thought and focuses on the exchange and cross cultural influence between linguistic and cultural contexts on the subject of love and desire between men
