Sex And The American Male:

The American Male Myron Brenton, 2025-05-30 First published in 1967 The American Male explores broad social patterns and major societal trends as they affect men in America The author argues that American men are burdened by an outdated code of masculinity that stifles their personalities and limits their ability to enjoy life at every significant level This explosive theme is based on two years of research involving men from various social and economic backgrounds as well as extensive interviews with psychiatrists and other experts in the psycho sociological fields According to the American ideal of masculinity a man is expected to be the strong silent type who keeps his problems to himself and dominates his woman with an iron hand This often results in a lack of deep human connection as men are taught to suppress feelings of tenderness and warmth Focused on their work with single minded intensity many men become strangers in their own homes Additionally they are often bewildered by the sexual revolution which has brought greater equality for women The book examines how the contemporary male can navigate these contradictions overcome his emotional rigidity and fear of commitment and approach life with greater flexibility and emotional responsiveness This crucially important work will interest scholars and researchers in gender studies the sociology of gender and sociology in general *The Broken American Male* Shmuley Boteach, 2008-01-22 Why do American husbands come home from work too exhausted to interact with their families When did a healthy quest for prosperity become a twisted game no one can win How did BlackBerries and internet porn become more interesting to men than their flesh and blood spouses Shmuley Boteach has made a great study of how families live today both in his work as a rabbi privately and as host of TLC s Shalom in the Home He s discovered a disturbing common thread in the families he meets men responding to the pressure of competition in their work lives by turning away from their loved ones In a world that judges men by the size of their paychecks and the wattage of their fame it s all too easy to lose sight of what is truly valuable in life Men who consider themselves failures and don t love themselves turn into stressed out dads distracted husbands and miserable human beings For these men alcohol the internet and sporting events serve as numbing stand ins for real life In THE BROKEN AMERICAN MALE Boteach doesn t just outline the problems facing marriages and nuclear families He also offers practical inspiring solutions showing how wives can reach out to their husbands helping them become heroes again to their own families **Ancestry and Sex in Human Crania** Robert W. Gender Protest and Same-Sex Desire in Antebellum American Literature David Greven, 2016-04-22 Expanding our understanding of the possibilities and challenges inherent in the expression of same sex desire before the Civil War David Greven identifies a pattern of what he calls gender protest and sexual possibility recurring in antebellum works He suggests that major authors such as Margaret Fuller Edgar Allan Poe Herman Melville and Nathaniel Hawthorne consciously sought to represent same sex desire in their writings Focusing especially on conceptions of the melancholia of gender identification and shame Greven argues that same sex desire was inextricably enmeshed in scenes of gender role strain as exemplified in the extent to which The Narrative of Arthur Gordon Pym depicts masculine identity adrift and in disarray Greven finds similarly compelling representations of gender protest in Fuller's exploration of the crisis of gendered identity in Summer on the Lakes in Melville's representation of Redburn's experience of gender nonconformity and in Hawthorne's complicated delineation of desire in The Scarlet Letter As Greven shows antebellum authors not only took up the taboo subjects of same sex desire and female sexuality but were adept in their use of a variety of rhetorical means for expressing the inexpressible
