

ESSAY QUESTION 1:

Describe the scene and the people in the spectator stands as they wait for an anticipated sporting event at your school.

There was **pandemonium**. Unintelligible screams reverberated through the **decrepit** stadium, **stemming** from the sea of students in red, blue, green and yellow in the stands as they yelled themselves hoarse, trying to win the cheering competition. The **segregation** was distinct. Every single student was clearly defensive of their **respective** houses. **Zesty** enthusiasm was pouring forth from the **fervent** supporters. The grandstand was exploding with the synergy of the **adrenaline-filled** crowd. **In stark contrast**, there was a **flurry** of prefects and teachers that dashed around the worn out track or the neatly mown field in a bid to complete certain last minute preparations for the annual sports day event, a competition to see which house had the most outstanding athletes and the most **vivacious** cheers. A **smorgasbord** of riotous fervour filled **every nook and cranny** of the stadium, breathing zeal and life into the seemingly rundown sports arena.

The scorching midday sun blazed down on the backs of all, the multi-coloured crowd being the most affected as they, unlike the teachers and athletes, had no **respite** from the intense **blistering** heat. Beads of perspiration formed on many foreheads and backs; the heat was **intensified** by the stale air around the students and the close **proximity** of their peers. Despite the discomfort, emotions ran high as the crowd **belted** out cheer after cheer whilst stamping their feet on the grainy floor in rhythm to the **uproarious** clamour. None was to be outdone by the other. All this while, **humongous** banners and flags of the respective house colours filled the pillars in the stadium. The flags were being swung at **breakneck** speed by a few individuals, their faces **contorted** in concentration as these flag bearers struggled to keep steady under the **wearisome** weight of the bulky items they held.

The cheering weakened and gradually died down, enveloping the stadium in silence as the **prolonged** wait caused the crowd to feel **exasperated**, with seemingly nothing to look forward to as they faced the empty pitch. Soon, murmuring and exasperation at the

Defining the Curriculum Ivor Goodson, Stephen J. Ball, 2012 This book explores some of the major processes involved in the definition of school subject knowledge Using historical ethnographic methods the contributors to the collection highlight and examine some of the factors involved at national institutional and classroom levels in the making of school subjects The first section of the book outlines the theoretical and methodological basis for the study of school subjects and the reasons for and the possibilities of such a study are considered In the second section some histories of school curricula are presented from a variety of settings colonial schools in Africa working class schools of the nineteenth century nursery schools and the conflicting forces of determination and change in school subjects are identified and examined The third section focuses on the contemporary school situation and the papers isolate and investigate some of the interest groups and social processes which enter into or affect the realization of school knowledge in the classroom
