The Birth Certificate Susan J. Pearson, 2021-10-27 For many Americans the birth certificate is a mundane piece of paper unearthed from deep storage when applying for a driver s license verifying information for new employers or claiming state and federal benefits Yet as Donald Trump and his fellow birthers reminded us when they claimed that Barack Obama wasn t an American citizen it plays a central role in determining identity and citizenship In *The Birth Certificate* An American History award winning historian Susan J Pearson traces the document s two hundred year history to explain when how and why birth certificates came to matter so much in the United States Deftly weaving together social political and legal history *The Birth Certificate* is a fascinating biography of a piece of paper that grounds our understanding of how those who live in the United States are considered Americans
