

LIMITED WARRANTY

The Little Tikes Company makes fun, high quality toys. We warrant to the original purchaser that this product is free of defects in materials or workmanship for one year** from the date of purchase (dated sales receipt is required for proof of purchase). At the sole discretion of The Little Tikes Company, the only remedies available under this warranty will be the replacement of the defective part or replacement of the product. This warranty is valid only if the product has been assembled and maintained per the instructions. This warranty does not cover abuse, accident, contents issues such as falling or scratches from normal wear, or any other cause not arising from defects in material and workmanship. *The warranty period is three (3) months for retailers or commercial purchasers. **U.S.A. and Canada. For warranty service or replacement part information, please visit our website at www.littletikes.com, call 1-800-321-0183 or write to Consumer Service, The Little Tikes Company, 2180 Balfour Road, Hudson, OH 44134, U.S.A. Some replacement parts may be available for purchase after warranty expires—contact us for details. Outside U.S.A. and Canada: Contact place of purchase for warranty service. This warranty gives you specific legal rights, and you may also have other rights, which vary from country/state to country/state. Some countries/states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

BATTERY SAFETY INFORMATION

- Use only size AA/LR6 alkaline batteries (if required).
- Charging of rechargeable batteries should only be done under adult supervision.
- Remove rechargeable batteries from the product before recharging.
- Do not mix old and new batteries.
- Do not mix alkaline (standard / carbon zinc), or rechargeable batteries.
- Be sure to insert the batteries correctly and follow the top and battery manufacturer's instruction.
- Always remove exhausted or dead batteries from the product.
- Dispose of dead batteries properly: do not burn or bury them.
- Do not attempt to recharge non-rechargeable batteries.
- Avoid short-circuiting battery terminals.
- Remove batteries before placing the unit into storage for a prolonged period of time.

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) the device must accept any interference received, including interference that may cause undesired operation. Certain Modifications not authorized by the manufacturer may void user's authority to operate this device.

Rock Concert Instruction Manual

Christian Drosten

Rock Concert Instruction Manual:

The Private Music Instruction Manual Rebecca Osborn, 2004 Future and current independent private music educators will find this book an invaluable resource for establishing and maintaining a private music studio. Private music instructors will learn what they should expect professionally, personally, and financially from their independent music instruction business. Until now, no single resource has existed that fully explains how to run this type of business successfully. This book presents all aspects of private music instruction through an easy-to-read, concise, and engaging instructional format. Following the sound advice presented will help to greatly alleviate the problems that all beginning independent instructors face by specifically mapping out chronological steps for establishing and maintaining a private instruction music business. The field of private music education has been inundated by less than professional individuals who have made it difficult for legitimate, qualified instructors. The Private Music Instruction Manual shares years of information and experiences in the hope of legitimizing the field of private music instruction. In a world where there is decreasing priority and structure in public music education, private music instructors become increasingly important to prepare the next generation of musicians. No matter the size of your private music instruction business, the advice presented in *The Private Music Instruction Manual* will help to improve any private music business. From the Midwest Book Review: *The Private Music Instruction Manual: A Guide For The Independent Music Educator* author Rebecca Osborn draws upon her many years of experience and expertise as an adjunct college music professor and owner of three private music studios to write an informed and informative guidebook specifically for musicians and music instructors who want to teach students in a profitable private practice but are not familiar with or knowledgeable about setting up a music instruction business enterprise. Rebecca Osborn provides a wealth of invaluable, professional, effectively organized, and presented instructions on establishing and maintaining a music teaching business and shows what to expect professionally, personally, and financially from independent music instruction. If you want to make money teaching, other than how to play any kind of music instrument, then you need to give a careful and profitable reading to Rebecca Osborn's *The Private Music Instruction Manual*.

The Footstop Cafe Paulette Crosse, 2007-08-31 Run by Karen Morton, the eccentric, sex-fantasy-prone mother in a hilarious yet deeply troubled dysfunctional family in North Vancouver, the Footstop Cafe is a place to put your feet up near the beautiful but tragedy-plagued Lynn Canyon and its vertigo-inspiring footbridge. The canyon and the cafe serve as the nexus around which Karen's universe revolves. Things happen here. Amazing things. Karen's husband is a podiatrist with a foot fetish; her teenage daughter thinks she's a lesbian but is afraid to confront the reality; and her younger son is given to having bowel movements in closets and building bombs. Throw in Karen's unconventional Anglican minister father and his Tibetan wife, a hairy belly dancer named Moey, a randy virgin high school diver with Olympic ambitions, and a host of other quirky, unforgettable characters, and you have a debut novel that is at turns absurdist, touching, manic, and supremely irreverent.
