Greek Turkish Relations is an important handbook written by leading authorities from both shores of the Aegean Sea. Greek and Turkish scholars present in a balanced and objective way as well as in a graspable and meaningful manner the main periods in which key events brought the two sides into dispute or even conflict. These events which are integrated in parallel and conflicting national narratives fuel the historicity of the two national rivals. A century since the end of the Greek Turkish war, the trauma of the Greek military defeat and the disaster of the Asia Minor Greeks, the establishment of the Republic of Turkey and the emblematic Treaty of Lausanne render this kind of handbook undoubtedly essential. It opens the discussion to the wider audience in a rational and composed way and most importantly the reader can follow through the pages the dialogue between Turkish and Greek scholars. A book of this kind was missing from public history. Prof Sia Anagnostopoulou, Panteion University, as an expert on the subject of minorities for the past fifty years with a number of publications in Turkish, English and French and based on the experts that are participating in the *A Century of Greek Turkish Relations: A Handbook*, there is no doubt that this will become an indispensable tool and above all an objective account of the Greek Turkish relations for both experts and the wider public. Prof emeritus Baskin Oran, Ankara University, as editors of this important and timely book, Nikos Christofis and Anthony Deriziotis, assert that uneducated narratives have perpetuated misunderstandings within Turkish Greek relations. In their enlightening work they dismantle these misconceptions offering a nuanced exploration of the historical and contemporary complexities between the two nations. By featuring insights from leading experts, this book provides a crucial resource for anyone seeking a deeper understanding of Turkish Greek relations, presenting new historical insights and analytical viewpoints on bilateral relations. Prof Evren Baltacı, University of Peloponnese, a comprehensive and insightful survey of Greek Turkish relations. A number of distinguished academics have offered their expertise succeeding in the formidable task of touching upon several sensitive issues avoiding stereotypes and easy readings of problems that are burdened by history. A must read for students and experts alike. Prof Sotiris Roussos, University of Peloponnese.
