Affidavit of Financial Support

To be used by students financially dependent on the support of others.

If you need a new I-20 or DS-2019, Ohio State is required by the U.S. Government regulations to determine whether you have adequate funding for tuition, fees and living expenses for the duration of your stay. ISS will be unable to process your request for a new I-20 or DS-2019 until funding documentation is complete.

Documentation of Funds

Complete both sides of this form and provide documentation as required. All documentation of sources of support that you submit must:

- Include the sponsor's name
- Be dated within the last 12 months; and
- Be written in English

Affidavit of Support

A separate affidavit is required for each sponsor. The total funds on the affidavit(s) must equal the total estimated expenses indicated below.

Bank Statement

Each personal sponsor (friends or family) must provide a statement or letter from the bank showing U.S. dollars or type of currency where the account is held totaling the amount needed. The sponsor on the Affidavit of Financial Support and the account holder on the official bank statement must be the same.

Estimated Expenses

\$ _____

This amount represents an estimate of expenses associated with continuing your program of study at Ohio State.

Small and Medium-size Enterprise Support Policies in Japan Motoshige It?,Sh?jiro Urata,1994 **The Economics of SME Finance** Iichiro Uesugi,2025-06-18 This book uses multiple data sources to comprehensively examine issues related to small and medium enterprise SME finance in Japan The first feature of the book is that it empirically examines issues that are important not only for Japan but also for other countries These issues include zombie firms the expansion of the bank lending market across regions the role of loan guarantees during economic crises competition between state owned banks and private financial institutions and the impact of bank mergers The second feature of the book is that it presents and makes available to researchers statistical data on SME finance that were previously unavailable due to a lack of accurate and detailed data sources The book shows for the first time in Japan the extent of concentration at the prefecture level in both loan and deposit markets over a 15 year period It also shows for the first time not only in Japan but also in other countries an indicator of the flow of funds between regions via loans and deposits providing new insights into the role of regional fund allocation These findings will be of interest not only to researchers interested in Japan but also to those in both developed and emerging economies interested in the evolution of SME finance **Criminal Behaviour from School to the**

Workplace Frank Weerman,Catrien Bijleveld,2013-12-17 This volume focuses on the complex relation between offending and the transition from school to the workplace how employment and education are related to breaking the law and getting in contact with the criminal justice system The contributors report results from several large scale and sophisticated studies conducted in the Netherlands that gathered rich data on employment education and criminal behaviour Each of the studies focuses on a particular period during the life course and particular risk categories Taken together they contribute to our understanding of how getting out of school getting into a job and doing illegal things are intertwined over the life course and how these relations differ with age and gender The background of this volume is our interest in the often studied relation between offending and employment or more generally between offending and the transition from school to work including dropping out part time work and joblessness The available literature casts little doubt that employment and education are indeed related to less crime and offending However this relation is much more complex than it appears at first hand The volume is primarily aimed at researchers and students in the fields of criminology sociology and economics However it may also be of use for non academic professionals in particular policy makers and practitioners in the field of criminal justice probation rehabilitation and youth schools *Journey to Adulthood* Chin-Chun Yi,Ming-Chang Tsai,2023-01-06 Young people

in East Asia are increasingly experiencing a prolonged transition to adulthood They are spending longer in school entering the labour market later and getting married later still This protracted young adulthood interacts with forces of both tradition and modernization as social and economic changes generate profound effects on the transition from school to work on family formation on personal relationships and on subjective well being *Journey to Adulthood* explores the special characteristics of

young adulthood in East Asia It uses Taiwan as illustrative example with comparative findings from its East Asian neighbours Japan Korea and Hong Kong It describes the particular growth context of a millennial generation and the challenges they face as they attempt to balance family formation personal development and entry into a market economy Edited by Chin Chun Yi and Ming Chang Tsai this collection helps us to understand the structural configurations East Asian young adults collectively represent Taking a cross cultural and comparative perspective it enables meaningful policy suggestions on family dynamics educational strategy and health and well being across the globe Dr Chin Chun Yi and Dr Ming Chang Tsai both work within the Institute of Sociology Research Center for Humanities and Social Sciences Academia Sinica Taiwan
