

Doctor Disability Letter

Dear Mr. Thompson,

I am writing to provide an official account and assessment concerning Mr. James Mitchell's current medical condition and its impact on his ability to perform occupational duties. I have been Mr. Mitchell's primary healthcare provider since January 15, 2023, and have been closely monitoring his health status and treatment regimen.

Mr. Mitchell has been diagnosed with severe degenerative disc disease following a series of comprehensive evaluations, including MRI scans and a thorough physical examination. This condition significantly affects his physical and cognitive functions, rendering routine tasks challenging and, at times, impossible.

Despite ongoing treatment and therapy, which have included physical therapy, pain management, and anti-inflammatory medications, there has been no substantial improvement in functionality. The symptoms, such as chronic back pain, numbness, and limited mobility, continue to persist and interfere with Mr. Mitchell's daily activities, not to mention his professional responsibilities.

Upon careful consideration and evaluation, it is my professional opinion that Mr. Mitchell is currently unable to engage in any form of gainful employment due to the severity and unpredictability of his condition. Continuing to work would likely lead to exacerbations, further deterioration in health, and reduced quality of life.
