Saving Wisdom Theology In The Christian University:

Saving Wisdom Brian W. Hughes, 2011-02-07 Is theology possible within a Christian university Beneath the emphasis of contextual philosophical and ecclesial pluralism what is its academic nature Further who can participate in it Recent debates and discussions by theologians that touch upon these questions seem to run in circles theology is an academic specialty enjoying academic freedom theology must bolster ecclesial identity become more catechetical and serve the church theology must contribute to and shape public policy Though such positions recur they overlook latent but interrelated characteristics embedded within the nature and place of theology within the Christian university that affect them all Upon analysis of four major theologians Friedrich Schleiermacher John Henry Newman Avery Cardinal Dulles S J and Edward Farley I argue that there are two major patterns at work First theology is more a sapientia or wisdom than a traditional academic discipline Second all descriptions of theology in the university possess an inclusive or exclusive soteriological character These patterns pervade diverse topics the relationship of theology to the church authority a theologian s ecclesial and academic commitments the preconditions of faith for theological understanding participation in a religious symbol system theology as wisdom and the difference between religion and theology How one implicitly defines Christian salvation regarding the place of theology in the Christian university opens or closes the practice of theology to those who teach and learn it Theology

and the Mirror of Scripture Kevin J. Vanhoozer, Daniel J. Treier, 2015-12-09 In this inaugural volume in the Studies in Christian Doctrine and Scripture Daniel J Treier and Kevin J Vanhoozer set forth a programmatic proposal for evangelical theology rooted in the claim that the church s vocation is to mirror the witness of Scripture in its doctrine and discipleship

Frederick D. Aquino, Benjamin J. King, 2018-10-18 John Henry Newman 1801-1890 has always inspired devotion Newman has made disciples as leader of the Catholic revival in the Church of England an inspiration to fellow converts to Roman Catholicism a nationally admired preacher and prose writer and an internationally recognized saint of the Catholic Church Nevertheless he has also provoked criticism The church authorities both Anglican and Catholic were often troubled by his words and deeds and scholars have disputed his arguments and his honesty Written by a range of international experts The Oxford Handbook of John Henry Newman shows how Newman remains important to the fields of education history literature philosophy and theology Divided into four parts part one grounds Newman's works in the places cultures and networks of relationships in which he lived Part two looks at the thinkers who shaped his own thought while the third part engages critically and appreciatively with themes in his writings Part four examines how those themes have shaped conversations in the churches and the academy This Handbook will serve as an important resource to critical and appreciative exploration of the person writings controversies and legacy of Newman **John Henry Newman and the Crisis of Modernity** Brian W.

Hughes, Danielle Nussberger, 2018-11-08 This book blends historical theological and philosophical inquiries into what modernity means with the aim of showing how Newman can analyze critique and explain fruitful ways forward within a diverse range of subjects First it surveys historical and theological topics such as how Newman understood modernity the *sensus fidelium* the role of doubt and modern views of reason Newman's university ideal and a return to the saint for much needed anthropological insights Second the volume shows how Newman's thought can be insightfully applied to key issues within church and society the need to redefine American Catholicism the challenge of secularization the role of Christian joy revelation and religious diversity progress traps and the ecological crisis and overcoming post modern individualism Throughout each chapter contributors consistently bring Newman's original and penetrating thought to bear upon critical themes in theological anthropology ecclesiology comparative theology and spirituality The volume shows how Newman's thought can be extended and enriched by dialogue with contemporary thinkers such as Charles Taylor Pope Francis and Bruno Latour In brief the contributors demonstrate how Newman can help frame contemporary self understandings and various theological and social imaginaries in the light of faith *Christian Faith and Christian Learning* Clare Watkins, James

Butler, 2025-07-31 Following a critical analysis of the pedagogical theology and practice of Christian learning this book develops a radical alternative account of faith learning Recognising the ways in which institutionally anxious churches are turning to processes of education and disciplining it takes the reader through a theological action research journey to offer a practical theological response to the question of how Christian faith is learnt and handed on in ways that really make a

difference Through close engagement with the practicalities of one declining denomination British Methodism the authors offer a distinctive vision of Christian learning and enable fresh thinking and practice There is a call for a move beyond educational courses towards a more profound engagement with the complexities of real life as not only the place but the matter of faith learning Theologically the book offers a vision which pursues questions of divine and human agency the work of the Spirit in learning the role of normative tradition and the important place of Christian lay people and their daily lives in learning Ultimately it seeks to give substance to a fresh concept of faith learning which is holistic integrative and inductively achieved and finds its fulfilment in lives lived in faith hope and love Newman and Life in the Spirit John R. Connolly, Brian W. Hughes, 2014 Newman and Life in the Spirit collects essays from leading theologians and scholars examining the theology and spirituality of one of the most important and beloved nineteenth century theologians the recently beatified John Henry Newman The essays in this volume present critical analysis of the perception and role of spirituality in various aspects of Newmans thought from his doctrinal work to his university and parochial sermons and argue for its significance to Christian theology and practice in the twenty first century *Reading Theology Wisely* Kent Eilers, 2022-05-24 Could reading theology turn you toward God in astonished worship Could it enliven your reading of Scripture Could it move you toward your true self in Christ Could it turn you toward your neighbors in self giving love Could it unmask your prejudices Could it dethrone your idols Should we hope for anything less In this illuminating introduction Kent Eilers invites Christians of all backgrounds into the practice of reading theology With a classroom tested approach Eilers shows how theology can form the imagination and enhance the human capacity for perceiving reality beyond the surface of things allowing Christians to see and experience God in the everyday He then guides readers through the essential facets of theology so that it can begin to feel familiar and accessible even and especially to beginners with no prior experience Written conversationally and illustrated beautifully with art by Chris Koelle Reading Theology Wisely is welcoming and engaging in every respect Eilers takes a well rounded approach to his subject utilizing Scripture and the wisdom of past thinkers as well as references to film and the arts including a special emphasis on architecture as part of an ongoing metaphor of inhabiting texts as we do physical spaces Each chapter ends with a prayer and questions for reflection and discussion followed by a theology lab in which readers can put the content of the preceding chapter into practice **Restoring the Soul of the University** Perry L. Glanzer, Nathan F. Alleman, Todd C. Ream, 2017-03-28 Has the American university gained the whole world but lost its soul Christian universities must reimagine excellence in a time of exile placing the liberating arts before the liberal arts and focusing on the worship love and knowledge of God as central to academia This pioneering work charts the history of the university and casts an inspiring vision for the future of higher education **The Holy Spirit and Christian Ethics in the Theology of Klaus Bockmuehl** Annette M. Glaw, 2014-02-07 Klaus Bockmuehl 1931 1989 former Professor for Systematic Theology at Regent College Vancouver published outstanding theological ethical works The questions that Bockmuehl explored have not lost any

relevance How do we know what God's will is in a particular situation Is Scripture sufficient for ethical decisions or should we listen to God Does God even speak today Is there a distinctive Christian ethic Bockmuehl's central contribution can be found in his emphasis on the seminal role the Holy Spirit plays within Christian ethics not only as the one who realizes the reign of God in the life of the individual but also as the one guiding the individual in a particular situation This book is the first in depth study of Bockmuehl introducing readers to his theology and ethics including a short biographical overview delineating and appraising how he understands the role of the Holy Spirit in Christian ethics It is not a book without criticism and its own creative contribution Annette Glaw concludes her fascinating study with a proposal for a relational concept of the Holy Spirit as the loving presence of God in Christian ethics

McKirland, 2022-06-14 In a world often consumed with self sufficiency this book reminds us that humans have an innate need for the grace of God's personal presence Christa McKirland an author doing research at the intersection of Christian theology and the sciences argues for a new way of understanding the image of God that might precondition science engaged theology She makes an exegetical and theological case that human beings were created to need the presence of God in order to flourish Such a need is not a liability but our greatest human dignity

Foreword by Alan J Torrance *Lord Jesus Christ* Daniel Treier, 2023-10-31 A study of the doctrine of Christ that is biblical and historical evangelical and ecumenical conceptually clear and contextually relevant Lord Jesus Christ expounds the doctrine of Christ by focusing upon theological interpretation of Scripture regarding Jesus's identity The book's structure traces a Christological arc from the eternal communion of the Triune God through creation covenants Incarnation passion and exaltation all the way to the consummation of redemptive history This arc identifies Jesus as the divine Lord who assumed human flesh for our salvation The book expounds and defends a classically Reformed Christology in relation to contemporary contexts and challenges engaging both philosophical and global concerns Each chapter begins with the theological interpretation of a key Scripture text before expounding key concepts of orthodox Protestant Christology Lord Jesus Christ is a unique example of writing dogmatic theology by way of theological exegesis The result is a volume that engages the numerous scholarly volumes on Christology that have appeared within the last couple of decades but provides a contemporary account of a traditional view About the Series New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer's Studies in Dogmatics this series will provide thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers The New Testament and the Theology of Trust Teresa Morgan, 2022 This study argues for the recovery of trust as a central theme in Christian theology and offers the first theology of trust in the New Testament displaying trust between God Christ and humanity as a risky dynamic forward looking life changing partnership The First Letter to the Corinthians Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary

touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes

The Questions of Jesus in John Douglas Charles Estes,2012-10-19 Why do the New Testament gospels depict a Jesus who asks questions almost as often as he gives answers In *The Questions of Jesus in John* Douglas Estes crafts a highly interdisciplinary theory of question asking based on insights from ancient rhetoric and modern erotetics the study of interrogatives in order to investigate the logical and rhetorical purposes of Jesus questions in the Gospel of John While scholarly discussion about Jesus cares more for what he says and not what he asks Estes argues a better understanding of the rhetorical and dialectical roles of questions in ancient narratives sheds a more accurate light on both John s narrative art and Jesus message in the Fourth Gospel
