**Criminology and Queer Theory** Matthew Ball, 2016-07-13 This book offers critical reflections on the intersections between criminology and queer scholarship and charts future directions for this field Since their development over twenty five years ago queer scholarship and politics have been hotly contested fields equally embraced and dismissed Amid calls for criminology and criminal justice institutions to respond more effectively to the injustices faced by LGBTIQ people criminologists have recently developed a Queer Criminology and turned to queer scholarship in the process Through a sweeping analysis of critical criminologies as well as issues as varied as shame and utopian thought Matthew Ball points to the many opportunities for criminology to engage further with the more politically disruptive strands of queer scholarship His analysis highlights that criminology and queer theory are dangerous bedfellows and that navigating the tension between them is central to confronting the social and criminal injustices experienced by LGBTIQ communities This book will be of particular interest for scholars of criminology criminal justice LGBTIQ studies gender studies and critical theory **Sex, Love and Money in Cambodia** Heidi Hoefinger, 2013-07-04 Dealing with the complex and discomforting grey area where sex love and money collide this book highlights the general materiality of everyday sex that takes place in all relationships In doing so it draws attention to and destigmatizes the transactional elements within many normative partnerships be they transnational inter ethnic or otherwise Focusing on Cambodia and on a subculture of young women employed in the tourist bar scene referred to as professional girlfriends the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi layered It argues that the sex for cash prostitution framework is no longer an appropriate model of analysis Instead a new vocabulary of professional girlfriends and transactional sex is used with which the nuanced complexities of these transnational partnerships are analysed Interdisciplinary in nature the book inspires new understandings of gender power sex love desire political economy and materiality within everyday relationships around the globe It is a useful contribution for students and scholars of Anthropology Sociology Southeast Asian Studies Gender and Sexuality Studies and Cultural Studies *Sex Trafficking and Human Rights* Heather Smith-Cannoy, Patricia C. Rodda, Charles Anthony Smith, 2022-09-01 Case studies explore how women s rights shape state responses to sex trafficking and show how politically empowering women can help prevent and combat human trafficking Human trafficking for the sex trade is a form of modern day slavery that ensnares thousands of victims each year disproportionately affecting women and girls While the international community has developed an impressive edifice of human rights law these laws are not equally recognized or enforced by all countries Sex Trafficking and Human Rights demonstrates that state responsiveness to human trafficking is shaped by the political social cultural and economic rights afforded to women in that state While combatting human trafficking is a multiscalar problem with a host of conflating variables this book shows that a common theme in the effectiveness of state response is the degree to which women and girls

are perceived as and actually are full citizens By analyzing human trafficking cases in India Thailand Russia Nigeria and Brazil they shed light on the factors that make some women and girls more susceptible to traffickers than others This important book is both a call to understanding and a call to action if the international community and state governments are to responsibly and effectively combat human trafficking they must center the equality of women in national policy **Queer Bangkok** Peter A. Jackson,2011-03-01 The Thai capital Bangkok is the unrivalled centre of the country's gay lesbian and transgender communities These communities are among the largest in Southeast Asia and indeed in the world and have a diversity social presence and historical depth that set them apart from the queer cultures of many neighbouring societies The first years of the 21st Century have marked a significant transition moment for all of Thailand's LGBT cultures with a multidimensional expansion in the geographical extent media presence economic importance political impact social standing and cultural relevance of Thai queer communities This book analyzes the roles of the market and media especially cinema and the Internet in these transformations and considers the ambiguous consequences that the growing commodification and mediatisation of queer lives have had for LGBT rights in Thailand A key finding is that in the early 21st Century processes of global queering are leading to a growing Asianisation of Bangkok's queer cultures This book traces Bangkok's emergence as a central focus of an expanding regional network linking gay lesbian and transgender communities in Hong Kong Singapore Taiwan Indonesia the Philippines and other rapidly developing East and Southeast Asian societies Peter A Jackson is associate professor in the School of Culture History and Language at Australian National University The myriad faces of Thai gender sexuality culture have been an attraction for both pleasure seekers and researchers scholars activists Exploring the rapidly changing LGBT cultures and Thai queer identities the essays collected here provide insightful analyses of historical continuities as well as developing variations within the highly complex erotic economic texture of Thai society A must read for anyone in the booming field of gender sexuality studies Josephine Ho Chair Professor Center for the Study of Sexualities National Central University Taiwan [Sex Tourism in Thailand](#) Ronald Weitzer,2023-11-07 Thailand is known for its diverse sex industry but it is surprisingly under researched This is the only book on the topic in the last 20 years and the only one covering multiple sectors of prostitution in the country which are examined both structurally and in terms of the lived experiences of the participants **Gay, Lesbian, Bisexual, and Transgender Aging** Tarynn M. Witten,A. Evan Eyler,2012-06 The graying of the US population draws increasing focus to historically unattended segments of society including sexual and gender minorities This title addresses the challenges of aging in the gay lesbian bisexual transgender and intersex populations It presents what is known about aging GLBT individuals *The Third Sex* Richard Totman,2011-05-01 The kathoey the Thai term for ladyboys have long been part of the cultural landscape of Thailand Though they're a leading tourist attraction the glamorous and attractive men who are now women are also a modern expression of an archaic tradition Who are the ladyboys Richard Totman introduces us to three individuals who started life as boys but while

at school decided to become kathoey In *The Third Sex* we follow their rites of passage as they become fully fledged kathoey as their adult lives are witness to attitudes towards trans gender in Thailand and the Western world *The Third Sex* is a perceptive accessible guide to the cultural historical religious biological and psychological aspects of being trans gender The description of the kathoey is part of a wider discussion on trans gender Third sex groups form part of many ancient communities originating in beliefs that pre date doctrinaire religions Some religions such as Buddhism embrace trans gendered individuals but the role of other religions has led to persecution and repression Many communities accept a third sex from Thailand and Samoa to American Indians and the Philippines Only in the West has savage repression occurred

**The Ethics of Silence** Nancy Billias, Sivaram Vemuri, 2017-06-13 This volume is an interdisciplinary exploration of the modalities meanings and practices of silence in contemporary social discourse How is silence treated in different cultures In a globalized world how is silence managed between and across cultures Co authored by a philosopher and an economist the text draws on interviews with scholars and practitioners in fields as diverse as marine biology and African American history International case studies are presented in operational contexts from the Black Lives Matter movement to the creation of art installations to the struggles of transgender people in Southeast Asia The authors examine the relationship between ethics and silence and suggest strategies to transform social praxis through greater attention to silence Thailand: Deadly Destination John Stapleton, 2014-11-17 The daily robbing bashing drugging extortion and murder of foreign tourists on Thai soil along with numerous scandals involving unsafe facilities and well established scams has led to frequent predictions that Thailand's multi billion dollar tourist industry will self destruct Instead tourist numbers more than doubled in the decade to 2014 The world might not have come to the hometowns of the many visitors fascinated by Thailand but it certainly came to the Land of Smiles While the Thai media is heavily censored and bad news stories about tourists suppressed nonetheless there is more than enough evidence to demonstrate that something has gone seriously awry with the nation's tourist industry In 2014 just as in the years preceding it there were train bus ferry speedboat motorbike and car accidents murders knifings unexplained deaths numerous suicides diving accidents robberies gone wrong anonymous bodies washing up on the shores and a string of alcohol and drug related incidents Thailand had a dying king and serious succession problems weak democratic institutions an economy slipping into recession faced issues of corruption across many of its key services and was host to international crime syndicates awash with despised foreigners and drifting perilously towards civil war Tourists choose one destination over another for a number of reasons most of which Thailand scores highly on But on the core issue of tourist safety Thailand scores very badly indeed **Male Bodies Unmade** Jongwoo Jeremy Kim, 2023-11-14 *Male Bodies Unmade* explores white men's disunified physicality in modern and contemporary art while attending to erotic polysemy that questions the visual ethos of Occidental patriarchy Art historian Jongwoo Jeremy Kim's approach is informed by his own status as an immigrant a polyglot queen drawn to extravagant fantasies of misbehaving bodies that are in truth foreign

territories colonies of misbelief In six case studies focusing on configurations of irrational anatomy and horny self extinction this book celebrates the lessons and pleasures of disrupting art history s hegemonically Western narratives     Geek in Thailand Jody Houton,2016-01-26 A Geek in Thailand is a light hearted but perceptive look at one of the world s most visited countries from the viewpoint of a young foreign resident More than just a Thai travel guide it offers a concise but insightful take on Thailand for tourists expats would be expats and others anyone in fact with interest in visiting or learning about the Land of Smiles Packed with short articles accompanied by sidebar stories and interviews and evocative color photographs the author paints a vivid and revealing picture of a country built on a deep reverence for nation religion and monarchy yet with its own distinct individualistic perspective Subjects range from the touchstones of Thai culture and history such as its politics and economy Buddhism and folklore to chapters on traditional Thai design and craftsmanship including its highly acclaimed architecture and fine silk textiles There are also chapters on the globally popular Thai food and entertainment like kickboxing and cabaret Chapters on the Thai character and cultural do s and don ts will allow the reader to go beyond the Thai smile For visitors to the country the author includes his top ten things to see and do in the main tourist destinations as well as an account of the main festivals and tips on getting around     **Textbook of Cultural Psychiatry** Dinesh Bhugra,Kamaldeep Bhui,2018-04-05 The textbook offers comprehensive understanding of the impact of cultural factors and differences on mental illness and its treatment     **The Greenwood Encyclopedia of LGBT Issues Worldwide** Chuck Stewart,2009-12-18 This set has an ambitious scope with the goal of offering the most up to date international overview of key issues in the lives of lesbian gay bisexual and transgender individuals HIV AIDS has been a major media focus but this set fosters a broader understanding of the status of LGBT individuals in their society More than 70 countries are represented The clear accessible prose is appropriate for high school student research on up The material is especially needed in a cultural climate that increasingly supports and requires information about LGBT populations The content is useful for a paper on a hot topic health classes discussion groups and gay straight alliance groups     Radically Listening to Transgender Children Katie Steele,Julie Nicholson,2019-12-03 This book is for early childhood educators committed to learning about gender in justice as a foundation for creating gender affirming early learning environments for all children including those who are transgender and gender expansive TGE The authors engage in progressive and contemporary thinking about gender acknowledging its complexity intersectionality diversity and dynamism They draw on Miranda Fricker s 2007 concepts of testimonial injustice to discuss how young TGE children are considered too young to have gender identities or to truly know themselves and hermeneutical injustice to represent the challenges TGE children face in educational environments that do not provide them with linguistic or interpretive tools to help them fully understand and communicate about their gender Woven throughout the book are the lived experiences and counter stories of TGE children and adults that privilege their voices and highlight their right to contribute equally to societal understandings of gender and to access all the tools a given society has available at the

time to help them name and understand their own experiences The authors provide discourse conceptual frameworks and concrete strategies educators can use to inspire resistant social imaginations Medina 2013 and actions that improve gender justice for our youngest children *Young, Disabled and LGBT+* Alex Toft, Anita Franklin, 2020-01-24 *Young Disabled and LGBT* brings together the work of an international team interested in exploring the intersection of sexuality gender identity and disability in the lives of young people and aims to further develop this area as a distinct area of study This volume features original research and writing into lives that are often misunderstood marginalised and under represented in research It is framed with artwork poetry and writing from young disabled LGBT people and centralises the voices and lives of young disabled LGBT people throughout Drawing from disciplines including sociology psychology disability and youth studies and with contributions from practitioners it examines experiences and research from a number of perspectives such as education personal lives and activism Featuring work from the UK Canada United States India and Australia it is a timely and topical book which will appeal to scholars particularly interested in sexuality gender disability and youth studies professionals within health education social work and youth work who aim to understand and support young disabled LGBT people and young people themselves **The Hidden Globe** Atossa Araxia Abrahamian, 2024-10-08 ONE OF THE WASHINGTON POST S TOP 10 BEST BOOKS OF 2024 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR Vivid revelatory and politically unpredictable What bothers Abrahamian in the end isn't the anarchic but the unfair if capital is free people deserve the same respect Gideon Lewis Kraus The New Yorker A season of unrest looms ahead and *The Hidden Globe* lays out the unvarnished truth in a luminous feat of reportage Hamilton Cain Minneapolis Star Tribune Borders draw one map of the world money draws another A journalist's riveting account exposes a parallel universe that has become a haven for the rich and powerful A globe shows the world we think we know neatly delineated sovereign nations that grant or restrict their citizens rights Beneath above and tucked inside their borders however another universe has been engineered into existence It consists of thousands of extraterritorial zones that operate largely autonomously and increasingly for the benefit of the wealthiest individuals and corporations Atossa Abrahamian traces the rise of this hidden globe to thirteenth century Switzerland where poor cantons marketed their only commodity bodies in the form of mercenary fighters Over time economists theorists statesmen and consultants evolved ever more sophisticated ways of exporting and exploiting statelessness in the form of free trade zones flags of convenience offshore detention centers charter cities controlled by foreign corporations and even into outer space By mapping this countergeography which decides who wins and who loses in the new global order and helping us to see how it might be otherwise *The Hidden Globe* fascinates enrages and inspires *Disarming Cupid* Scientific American Editors, 2013-02-11 *Disarming Cupid* Love Sex and Science by the Editors of Scientific American Sometimes All You Need Is Love sometimes Love Is a Battlefield Whether Love Hurts Bites Will Keep Us Together Will Tear Us Apart or Is a Four Letter Word it seems we Want To Know What Love Is Love in both the abstract and

the up close and personal has always provided limitless inspiration for artists writers and musicians but scientists are just as fascinated by these affairs of the heart though they seldom sing about it In this eBook Disarming Cupid Love Sex and Science our editors take a step back analyzing romance using tools like fMRI studies instead of a paint brush or guitar The writers examine a variety of topics starting with the perceived sex differences between men and women discussed in Section 1 are we really as different as Mars and Venus As our opening story shows few other questions can get at the heart of this debate like Can heterosexual men and women ever be just friends Spoiler alert new research suggests that the answer is no Subsequent sections tackle other facets of love including the implications of the drastic rise in online dating how we choose our romantic partners and what happens in our brains when we re in love In particular All You Need Is Love finds or perhaps for some verifies that romantic love stimulates the same pathways as an addictive drug Section 5 focuses on issues of gender and sexuality Do Gays Have a Choice analyzes a wealth of scientific evidence and shows that sexual orientation is determined more by both genes and environment rather than being a choice We also don t shy away from darker aspects of love such as the psychology of prostitution and sex appeal of narcissists because to ignore these aspects of love is to trivialize it Besides love s paradoxes are one of the reasons why it is The Topic for cultural discourse As Pascal said The heart has its reasons of which reason knows nothing Hopefully this eBook will change the nothing to at least something
