[King](#) McKenna James, 2021-07-22

Anyone but him. He's a world-famous Rockstar. A player. He's also my brother's best friend. King is selfish, arrogant, cocky. He's everything I'm not. But when he walks into a room, it feels like it's just the two of us, and when he kisses me, I forget all the reasons we shouldn't be together. My friend Ellie says starting something with King would be a bad decision. But what if he and I are meant to be, and I don't give our love a chance? Wouldn't that be even worse? Anyone but her. My best friend Jack has one rule: no messing around with his little sister. I can't blame the guy. When it comes to breaking women's hearts, I'm the worst. But Piper has turned my world upside down, and I'm afraid it's me who's going to wind up getting hurt this time. She's far too good for me, but when I'm with her, I start to believe I can be the man she deserves. People can change, right? I can change. Unless my best friend kills me first.
