The *Scarlet Letter* The Manga Edition will be a hit with both manga readers and in the classroom. A four page essay at the beginning ties the novel and manga together, the rest of the book is taken up with the manga novel itself. So there should be strong carryover between those people who are manga readers and those teachers/students who want a new and unique way to read the plays. Our *The Scarlet Letter* manga is true to the original context of the play, we don't take Hester and Pearl and set them in a setting/time that's not relevant to Hawthorne's original and intended time setting.
