

Zesty Lemon Garlic Shrimp Pasta

SERVINGS: 4

PREPPING TIME: 15 MIN

COOKING TIME: 20 MIN

Ingredients

8 oz linguine pasta
2 tbsp olive oil
1 lb large shrimp, peeled
and deveined
Salt to taste
Black pepper to taste
1 tbsp minced garlic
1 tsp red pepper flakes
1/2 cup chicken broth
1 cup fresh lemon juice
Zest of 1 lemon
1/2 cup finely chopped
fresh parsley
Grated Parmesan cheese
for serving

Instructions

- **Cook the pasta:** Bring a large pot of salted water to a boil. Add the linguine and cook until al dente, according to the package instructions. Drain and set aside.
- **Prepare the shrimp:** Meanwhile, heat the olive oil in a large skillet over medium-high heat. Add the shrimp, season with salt and pepper, and sauté until they turn pink, about 2-3 minutes per side. Remove the shrimp from the skillet and set aside.
- **Make the sauce:** In the same skillet, add the minced garlic and red pepper flakes. Cook until the garlic is fragrant, about 1 minute. Stir in the chicken broth, lemon juice, and lemon zest. Bring the mixture to a simmer and cook for about 5 minutes, or until the sauce has reduced by half.
- **Combine the pasta and shrimp with the sauce:** Return the shrimp to the skillet. Add the cooked pasta and toss to combine, making sure the pasta is well-coated with the sauce.
- **Serve:** Remove the skillet from the heat. Sprinkle with the chopped fresh parsley and grated Parmesan cheese. Serve immediately.

Tips and Variations

For an extra punch of flavor, add a splash of white wine to the sauce.
Feel free to add more vegetables like cherry tomatoes or spinach for added nutrition.
Use whole grain pasta for a healthier twist.

Caron,2015-03-03 Cooking with grains is a flourishing global trend Ancient grains such as bulgur wheat spelt wheat berries and teff are popular for the texture and flavor they bring to dishes as well as their health benefits This visually stylish and comprehensive cookbook satisfies today s worldwide appetite for tasty versatile and healthy grains with more than 150 fresh and exciting recipes Grains as Mains is not a vegetarian cookbook but the majority of the recipes are meat free with suggestions for choosing your own protein accompaniments It features a wide range of recipes many of which are gluten free Where relevant graphic devices show how to swap your grains for easy recipe variations With warm and evocative photography and step by step techniques this book takes a fresh approach to cooking with century old grains The book is for the adventurous cooks eager to experiment with unusual and exciting ingredients and health conscious cooking enthusiasts who are looking for delicious new styles of recipes Featured grains include cornmeal polenta bulgur wheat quinoa millet barley spelt wheat berries amaranth farro buckwheat khorasan wheat kamut teff sorghum and freekeh It's the Calories, Not the Carbs Glenn Alan Gaesser,Karin Kratina,2004 For today s Americans it is an obsession What should I eat What should I avoid Which foods should I combine How do I get in the zone or eat for my type We must now choose between healthy fats and unhealthy fats good carbs and bad carbs and high glycemic and low glycemic While the formulas for healthful eating increase so do our waistlines The perfect example is the low carbohydrate diet Since the mid 1990s low carb diets have made a phenomenal resurgence led by Dr Robert Atkins program which has been on The New York Times bestseller list continuously for the past five years But his plan is by no means the only one Others also are jockeying to take the low carb crown including the South Beach Diet the latest in the low carb offerings that has pushed its way up the bestseller lists With this resurgence many Americans are now avoiding carbs For the time being carbs appear to be the enemy in many people s minds and stomachs

We emphasize for the time being because when it comes to diets nothing lasts forever Americans went through a similar obsession with carbohydrate avoidance a few decades ago when many low carb diet books topped the bestseller lists in the 1960s and 1970s including the original version of Atkins low carb diet Despite their popularity low carb diets had virtually no measurable effect on our waistlines the weight of the average U S adult at the end of 70s was essentially the same as it was at the start of the previous decade It seems that a diet limited to primarily protein and fat was not the answer after all And when it comes to dieting it seems Americans cannot resist a fad But no matter what the latest fad diet claims the bottom line is calories regardless of type do count Unfortunately Americans seem to have found out the hard way It s the Calories Not the Carbs was written in part to clarify this point and set the record straight It also was written to show you that eating well and living well is about giving yourself the best possible intake of nutrients to allow your body to be as healthy as possible and to work as well as it can It is getting the nutrients your body needs for optimal mental performance and emotional balance It is not a set of rules Your body s needs and health goals are completely unique and depend on a whole host of factors from the strengths and weaknesses you were born with to the effects your current environment has on you No single way of eating is perfect for everyone although there are general guidelines that apply to us all Whether your personal health goal is to lose weight maintain your current weight become more active have more energy or just improve your overall health and fitness this guide will show you how to use the Food Guide Pyramid listen to your body and become more active to make lasting healthful lifestyle changes for health and wellness and to say goodbye to fad diets of all types for good

[Best Recipes From the Backs of Boxes, Bottles, Cans, and Jars](#) Ceil Dyer, 2017-04-15 Hundreds of recipes that have appeared on the backs of packages for decades withstanding the test of time include perennial favorites that are simple easy to prepare economical and delicious
