Planting Seeds For Spiritual And Material Blessings Faith:

Planting Seeds for Spiritual and Material Blessings Marcia Batiste, 2014-11-15 God is the seed and the fruit **The Gospel According to Thomas** Chinedu Nnadi, 2025-08-28 Thomas grew up in the shadows of Detroit's forgotten streets where prayers echoed louder than promises kept He learned early that faith might inspire hope but money kept the lights on By twenty five armed with charm a gift for words and a ruthless determination never to be poor again he launched City of Glory Ministries What began in a rented storefront with folding chairs and borrowed microphones soon swelled into a movement Thomas preached prosperity not repentance Sow a seed he urged the desperate Give and it shall be given unto you His words were fire to the weary and fuel for his ambition Within a year he traded the bus stop for a Bentley his sanctuary overflowing while his followers sank deeper into debt But cracks spread through the empire of smoke and scripture Whispers of stolen offerings Widows left destitute A mother dead after buying her miracle Then came Marissa James an investigative journalist who saw through the designer suits and blacked out ledgers As she dug deeper the carefully polished brand of City of Glory began to crumble The breaking point arrived live on camera a desperate man stood mid sermon and shouted Where's the money Pastor Where's God in all this The eruption that followed could not be silenced Now Thomas must face the one enemy he cannot charm or deceive the truth A haunting tale of faith greed and the price of deception **The Gospel According to Thomas** asks when hope is for sale who truly pays **The Visual Bible Study Guide Volume 1** Jay A. Adams, 2024-04-01 My name is Jay A Adams not to be confused with the author Jay E Adams who passed away in 2020 This is my 1st Volume of several planned other Volumes as the Lord leads me of this Guide I've been a teacher of the Word going back 30 years and being led by the Holy Spirit I saw a great need for a Visual Bible Study guide and especially for the more Difficult topics passages doctrines in scripture My own personal background is I was born again as a young boy grew up in a Southern Baptist church have belonged to a few other denominations But the Christian life is about relationship with Christ not a denomination important than any denomination **Oral Roberts and the Rise of the Prosperity Gospel** Jonathan Root, 2023-04-20 In 1946 God gave Oral Roberts a new Buick And this just one of many miracles the young broke preacher learned to expect as Oral Roberts would go on to build an evangelistic ministry worth millions of dollars a medical complex and a university How do we interpret the life of a man who seemed to combine rampant consumerist excess with a sincere devotion to the gospel Seeking to answer this question Jonathan Root weaves together accounts of Oral Roberts's life in a balanced and engaging narrative This fresh biography covers Roberts's early life during the Great Depression in Oklahoma his family's financial struggles during his early career as a Pentecostal preacher his healing ministry's explosive growth in popularity via the new media of radio and television and his empire's eventual collapse Root pays special attention to how Roberts introduced the prosperity gospel to American Protestants with his affirmation that God intends his followers to be both spiritually and physically fulfilled Root's engaging narration looks to primary sources on

Roberts's life as well as the mythologized stories he told years later. The man who emerges is both deeply flawed and entirely earnest in his devotion to Christ. Oral Roberts and the Rise of the Prosperity Gospel will be an absorbing read for all those interested in American religious history and one of its most colorful figures. *Faith and Learning on the Edge* David Claerbaut, 2004. Beginning with an autobiographical journey through his disappointing experiences with faith and learning both in his student and professorial career in Christian colleges, David Claerbaut addresses the issues of faith and learning in higher education. *The Spirit, Indigenous Peoples and Social Change* Michael J. Frost, 2018-11-05. In *The Spirit: Indigenous Peoples and Social Change*, Michael Frost explores a pentecostal theology of social engagement in relation to Māori in New Zealand. Pentecostalism has had an ambiguous relationship with Māori and in particular lacks a robust and coherent theological framework for engaging in issues of social concern. Drawing on a number of interviews with Māori pentecostal leaders and ministers, Frost explores the transformative role of pentecostal experience for Māori cultural identity, a holistic theology of mission, an indigenous prophetic emphasis, and consequent connections between pentecostalism and liberation. He thus contributes a way forward for pentecostal theologies of social change in relation to Māori with implications for pentecostalism and indigenous peoples in the West. **The Divine Equation for Material and Financial Prosperity** Minister W. Pippens, 2008-03. [The Teachers' storehouse and treasury of material for working Sunday-school teachers](#), 1878. **Expository Sermons on John's Gospel Volume 3** Joe Tolin, Jr., 2015-05-25. This is Volume Three of the expository sermons from the pulpit of Grace Fellowship Church. This volume covers chapters eleven through fourteen and features a 14-part series on Union with God. **Christianity, Bible and Alternate Healing Therapy** Dr. Vikram Emmanuel Amolik, 2025-05-06. **The Routledge Handbook of Pentecostal Theology** Wolfgang Vondey, 2020-03-31. Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades, and a diverse array of disciplines have begun to address a range of elements of these movements. Yet there exists very little understanding of Pentecostal theology, and it is not uncommon to encounter stereotypes and misperceptions. Addressing this gap in current research, *The Routledge Handbook of Pentecostal Theology* is an exceptional reference source to the key topics, challenges, and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject. Comprising over forty chapters written by a team of international contributors, the Handbook is divided into five parts: Contextualizing Pentecostal Theology, Sources, Theological Method, Doctrines, and Practices, Conversations, and Challenges. These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith. Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism, divine healing, or eschatology, unique practices such as spiritual warfare and worship, and less-discussed issues such as social justice and gender, each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement. *The Routledge Handbook of Pentecostal Theology* is essential reading for students and

researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious Studies
