Learning American English is a big challenge for ESL students as well as native American students Sometimes students have difficulty understanding how to read write and speak American English properly because some words and English grammar rules are quite complex and can be difficult to understand Without a proper teaching method and instructional guide teaching American English can present a huge challenge even for the most experienced teachers It may take years to establish a sure approach in teaching the correct way of reading writing and speaking American English correctly unless an effective method is found to help After many years of research I finally found an positive rewarding approach that will effectively help students quickly engage their understanding of phonetics easily and will assure their English skills in a short period of time I applied this teaching method to my students and the results were tremendous So in order to reduce teachers worry frustration or stress I decided to share my best proven practices in this book Back cover **Phonics** ,2014 **Puzzle Piece Phonics Teacher's Guide** Carolyn Banuelos,2018-04

Welcome to Puzzle Piece Phonics We are very excited to share our love of word study with you We are three teachers who developed this comprehensive resource when we worked together through the transition from the North Carolina Standard Course of Study to the Common Core State Standards CCSS It came about from a moment of near panic when we were sitting at a table in

the library after school and it seemed to hit us at the same time how much more the CCSS expected of students We looked at each other and wondered how are we ever going to get our kids from here to there But then we called on our various strengths our creativity our curricular understanding our practicality and our can do personalities and generated Puzzle Piece Phonics
