Reasonable Doubts Rod And Cane Society English Edition:

Cyborg Commander Cara Bristol, 2018-01-09 Billionaire Carter Aymes director of Cyber Operations a covert cyborg force devotes his wealth and time to saving lives rescuing hostages and other victims from desperate situations His ultimate mission is to hunt down and eliminate Lamani the alien terrorist mastermind before he conquers the galaxy When Carter hires Beth O Shea a vulnerable yet courageous woman with connections to his past their attraction is immediate and strong but he knows getting involved with her is a bad idea He s her boss and he has way too many classified projects to risk letting someone get close Rejected by the progenitors who cloned her Beth is determined to live a normal human life beginning by getting an ordinary job with a security firm But from the start she questions the extraordinary secrecy surrounding the organization She can t help but wonder about the tall muscled larger than life director who gave her a chance when she desperately needed one Could he ever be romantically interested in a woman like her in a clone When Beth is attacked they both realize how short and tenuous life is and their mutual attraction becomes too powerful to resist As their relationship heats up so does the urgency to capture Lamani before he can unleash a stealth weapon at a critical planetary Summit meeting With time running out Carter discovers that stopping Lamani may require sacrificing Beth s life Will Carter be able to rescue her or will his new love be the one person he can t save Cyborg Commander was previously titled Hunted by the Cyborg

Protection and the Common Law John Lowry,Rod Edmunds,2000-06-20 Within the broad framework of the common law of tort the torts of nuisance and the rule in Rylands v Fletcher are central to the protection of the rights of landowners to use and enjoy their land without unreasonable interference and to be free from material damage to their interests Negligence actions can also serve to promote the protection of personal and property interests Yet toxic torts are often seen as being beset by theoretical and practical drawbacks Overall there are serious concerns about the continued value of common law principles as an effective and coherent system that is geared to protecting the environment Environmental law is increasingly developing its own statutory regimes to address a range of environmental problems This accentuates the sense in which the aims and reach of these two different branches of the law appear to be diverging Questions inevitably arise about the inter relationship between private law sphere of tort and public regulatory schemes The contributors to this volume of essays include many of the UK s leading academics in the relevant fields of private and public law While the essays are broadly based the focus of the book is on the challenges posed by accommodating tort with environmental law Publishers'
