Rujub, The Juggler George Henty, 2020-03-21 It would be difficult to find a fairer scene Throughout the gardens lanterns of many shapes and devices threw their light down upon the paths which were marked out by lines of little lamps suspended on wires a foot above the ground In a treble row they encircled a large tank or pond and studded a little island in its center Along the terraces were festoons and arches of innumerable lamps while behind was the Palace or Castle for it was called either the Oriental doors and windows and the tracery of its walls lit up below by the soft light while the outline of the upper part could scarce be made out Eastern as the scene was the actors were for the most part English Although the crowd that promenaded the terrace was composed principally of men of whom the majority were in uniform of one sort or another the rest in evening dress there were many ladies among them At the end of one of the terraces a band of the 103d Bengal Infantry was playing and when they ceased a band of native musicians at the opposite end of the terrace took up the strains Within the palace was brilliantly lighted and at the tables in one of the large apartments a few couples were still seated at supper Among his guests moved the Rajah chatting in fluent English laughing with the men paying compliments to the ladies a thoroughly good fellow all round as his guests agreed The affair had been a great success There had first been a banquet to the officers and civilians at the neighboring station When this was over the ladies began to arrive and for their amusement there had been a native nautch upon a grand scale followed by a fine display of fireworks and then by supper at which the Rajah had made a speech expressive of his deep admiration and affection for the British This he had

followed up by proposing the health of the ladies in flowery terms **Rujub the Juggler** G. A. Rujub, the Juggler : Complete with Original and Classics Illustrated G. A. Henty, 2020-02-07 Rujub the Juggler is mainly an historical tale for young and old dealing with the Sepoy Mutiny in India during the years 1857 to 1859 This famous mutiny occurred while the reins of British rule in India were in the hands of Lord Canning Chupattees cakes of flour and water were circulated among the natives placards protesting against British rule were posted at Delhi and when the Enfield rifle with its greased cartridges was introduced among the Sepoy soldiers serving the Queen it was rumored that the cartridges were smeared with the forbidden pig s fat so that the power of the Sepoys might forever be destroyed Fanatical to the last degree the Sepoys were not long in bringing the mutiny to a head The first outbreak occurred at Meerut where were stationed about two thousand English soldiers and three thousand native troops The native troops refused to use the cartridges supplied to them and eighty two were placed under arrest On the day following the native troops rebelled in a body broke open the guardhouse and released the prisoners and a severe battle followed and Meerut was given over to the flames The mutineers then marched upon Delhi thirty two miles away and took possession At Bithoor the Rajah had always professed a strong friendship for the English but he secretly plotted against them and later on General Wheeler was compelled to surrender to the Rajah at Cawnpore and did so with the understanding that the lives of all in the place should be spared Shortly after the surrender the English officers and soldiers were shot down and all of the women and children butchered The mutiny was now at its height and for a while it was feared that British rule in India must cease The Europeans at Lucknow were besieged for about three months and were on the point of giving up when they were relieved through the heroic march of General Havelock Sir Colin Campbell followed and soon the city was once more in the complete possession of the British Oude was speedily reduced to submission many of the rebel leaders were either shot or hanged and gradually the mutiny which had cost the lives of thousands was brought to an end The tale however is not all of war In its pages are given many true to life pictures of life in India in the barracks of the soldiers and elsewhere A most important part is played by Rujub the juggler who is a warm friend to the hero of the narrative Rujub is no common conjuror but one of the higher men of mystery who perform partly as a religious duty and who accept no pay for such performances The acts of these persons are but little understood even at this late day and it is possible that many of their arts will sooner or later be utterly lost to the world at large That they can do some wonderful things in juggling mind reading and in second sight is testified to by thousands of people who have witnessed their performances in India how they do these things has never yet been explained Strange as it may seem the hero of the tale is a natural born coward who cannot stand the noise of gunfire He realizes his

shortcomings and they are frequently brought home to him through the taunts of his fellow soldiers A doctor proves that the dread of noise is hereditary but this only adds to the young soldier s misery To make himself brave he rushes to the front in a most desperate fight and engages in scout work which means almost certain death In the end he masters his fear and gives a practical lesson of what stern and unbending will power can accomplish In many respects *Rujub the Juggler* will be found one of the strongest of Mr Henty s works and this is saying much when one considers all of the many stories this well known author has already penned for the entertainment of young and old As a picture of life in the English Army in India it is unexcelled
